

Multi-Faith ACTION Coalition

Advocates & Communities
Taking Initiative for
Our Neighbors (**ACTION**)

We are a multi-faith coalition of Contra Costa County residents working together to address the root causes of poverty through advocacy and public policy change. Our shared values and our experiences as faith groups providing food, shelter and other services make us strong voices for those in need.

You Make a Difference

Hundreds of us in Contra Costa County have come together to support our neighbors who are experiencing homelessness in this difficult economic time.

We may come from different different backgrounds and faiths, but we all agree that everyone should have a home.

We have helped to house hundreds of members of our community since 2014, including many homeless veterans and families.

Help Contra Costa Residents in Need

Create a Unit

Many of us could easily transform an unused bedroom into an affordable apartment with a private entrance and a kitchenette.

Junior Accessory Dwelling Units (JADUs) can help renters who might otherwise become homeless while helping you with the mortgage.

Learn more about JADUs at www.lilypadhomes.org

Rent a Unit

Nearly 4,000 of our neighbors need housing in Contra Costa County. Many are lease-ready, but can't find an affordable place to live.

They just need opportunity.

Together, we can make housing happen.

We connect interested property owners with pre-screened, lease-ready individuals and families experiencing homelessness.

For more information about any of these opportunities, contact MFAC at

Support New Renters

The Contra Costa Housing Security Fund covers costs that can be barriers to people transitioning out of homelessness and protect property owners who offer these renters an opportunity.
