LAST WEEK

12-29-84

Continuing his theme of "Beyond War", PRES. HANS himself gave the inspirational message on this 128th anniversary of the birthday of Woodrow Wilson. If the Allies had listened to Pres. Wilson after World War I and not wanted revenge then perhaps there might not have been a World War II.

BOB MILLER introduced visiting Rotarians and guests and JOHN NICOL handed out survival kits for the Reno Trip. There will

be a fizz party at the Richmond Sanitary Service offices beginning at 5:00 A.M. on Sunday morning, January 13 with departure from Richmond at 7:15 A.M. (see train schedule). We will all be staying at the Reno Hilton.

Recognition Administrator Big Bad BILL SHIELDS helped Capricorns ALAN PITTMAN and CHRIS CHRISTOPHER celebrate their birthdays for only a dollar a year and then caught all the anniversaries he could before the end of the year. CHRIS JUDGE started off with \$60.00 for only 6 years, DARROL DAVIS and JIM CLAUSEN offered \$2.00 a year, HANK COVELL went 36 for 26 and BUD MARTIN, married 32 years, settled for \$32.00. WERNER SCHWARZ got by with \$25.00 representing \$5.00 for each engagement he got out of before marrying. BILL SHIELDS then had everyone donate who didn't keep their New Year's resolutions for the past year.

Something new from Rotary International: New members now receive certificates just for joining Rotary. DICK LARSON and MIKE HARR were presented theirs by PRES. HANS.

DAVE ALMEIDA gave us a Treasurer's Report for this half-way mark in the Rotary year. DAVE covered our General Fund (operating expenses), Charity Fund (community donations), Scholarship Fund (local scholarships and dictionary purchases) and Rotary Foundation (International exchanges and goodwill).

PRES. HANS gave us the following quotation to go along with our speaker's theme:

"Planning - Our plans miscarry because they have no aim. When a man does not know what harbor he is making for, no wind is the right wind." Seneca, the Younger (4 B.C.-A.D. 65)

Chairman of the Day, ROBERT BROWN, introduced our speaker, Robert Romar who has had

16 years experience in financial planning. Mr. Romar started out with a couple of meaningless stories and then got into the subject of personal budgeting and financial planning. Explaining that he was not here to tell us how to invest but to control what we've got, Mr. Romar suggested a financial diet for 90 days taking into consideration fixed expenses and cutting down on most of the variables. If you can exist for 90 days on fixed weekly checks then you will know if you have anything to invest.

The raffle was won by RUSS SCHULZE and yours truly.

PROGRAM FOR FRIDAY, JANUARY 11, 1985

Our speaker this week will be fellow member J. KENT MURRAY, General Manager, Chevron U.S.A., Richmond Refinery. The topic of his talk will be "The Oil Business and What's Happening at the Richmond Refinery".

Kent was born in a small mining town in Utah. He graduated from the University of Utah with a B.S. degree in Mechanical Engineering.

Kent began his career in the oil industry in 1955 working full time at the Utocho Service Station while attending college. In 1956 he was a technician in the quality control lab at the Utah Oil Refining Company and a lab technician with American Gilsonite Co. After graduation, he became a refinery engineer in Grand Junction, Colorado. In 1964 he was an Associate Engineer with Standard Oil Co. of California in San Francisco. He transferred to Chevron-West, Salt Lake City, as an engineer in 1966. In 1969 he was Assistant Manager of Manufacturing, Chevron Venezuela, and also became Manager of Manufacturing that same year. He was transferred to Socal as Chief Engineer of Chevron-West, El Paso, in 1973, and transferred again in 1974 to Salt Lake as the Refinery Manager. In 1977 he was moved to Irving Oil Ltd. as Refinery Manager in St. John, N.B. Kent became Chevron U.S.A.'s Richmond Refinery General Manager in August of 1982.

He belongs to several organizations besides Rotary and has been very busy the latter part of 1984 as the United Way Contra Costa County Community Chairman.

Chairman of the Day: STAN TEADERMAN

LAST WEEK

BOB BOYD started things off with an inspirational message and LOREN STRAUGHN introduced visiting Rotarians from as far away as Stockton.

Sunshine Chairman DAVE KUCHENTHAL informed us that Secretary CARL's wife, Elizabeth, fell on a cruise ship bound for Hawaii and had to cancel their trip. WALTER WIRTH is convalescing at home with a lingering illness and DUANE MERRILL fell and injured a disc. We wish a speedy recovery to all.

New Recognition Administrator, Affable AL SILVA, took pity on ELOF GRANBERG and collected only \$25.00 from him for any and all anniversaries. Birthdays were celebrated by VIC BRADSHAW and DAN READY, the latter putting up \$100.00 for a Paul Harris Sustaining Fellowship.

Sponsor JOE NUSBAUM introduced and welcomed to our club, JOHN PALAZZOTTO, who heads up J.P. Advertising. JOHN was presented with pin, badge and literature by PRES. HANS.

Before the speaker came on, HANS gave us the following quotation: "Why should we be in such desperate haste to succeed and in such desperate enterprises? If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away." - Henry David Thoreau (1817-1862)

Chairman of the Day, CHARLIE FENDER, first gave us the proper procedure in proposing a new member, then introduced our speaker, James Kooler, who gave us a few sobering thoughts on teenage drinking and driving. Jim, who is

a member of the Alamo Rotary Club, is Executive Director of the Alcohol Council of Contra Costa County. Because we are losing more and more youth through alcohol related accidents, his organization gives presentations at high school assemblies which not only show the effects of alcohol on driving ability but includes a slide show of the arrest, drunk test and booking of a young girl under the influence. The next presentation will be at Pinole Valley High School on February 14 and there will be a separate assembly for the parents that night.

Several of the Rotary Clubs in Contra Costa County have set up a foundation to help sponsor this program and it may become a District 516 Project.

The raffle was won by DENNIS TRIPLITT and GEORGE WACKER.

BOARD MEETING - A meeting of the Board of Directors will be held on Thursday morning, January 17, 7:30 AM at Lucky Lanes. All officers and directors are urged to attend and members are welcome.

MEMBERSHIP DEVELOPMENT

Our club, like most clubs, must grow in membership at least ten percent a year to offset normal attrition. Thus, real growth requires a continuous, concerted effort on the part of all our members.

The size of our club is limited only by the number of men in our community who would make good Rotarians and for whom there are valid classifications available.

It is the responsibility of every Rotarian to propose new members. Someone shared Rotary with you; now it is your turn to share Rotary with others.

MEMBERSHIP SURVEY

Last week a survey form was included with your Flywheel to be filled out by each member. Please complete this form and return to DOUG SWAGER this Friday. Extra forms are available at the attendance table.

PROGRAM FOR FRIDAY, JANUARY 18, 1985

Our speaker this week will be B. (Bill) Charles Wansley, President, Better Business Bureau, Inc. (serving Alameda, Contra Costa, Napa and Solano Counties).

Bill has been associated with The Better Business Bureau system for 38 years, 34 of them as chief executive officer of the local bureau. During his administration of the local office, the Bureau has been awarded every major program achievement offered competitively in the national system and in 1983 the Council of Better Business Bureaus International presented Bill with its first and only Meritorious Service Award in San Antonio.

Under his direction, the local Bureau pioneered the concept of binding arbitration between business and consumers, now in place in every major city in the U.S. His Bureau also introduced and tested for the national office, the mediation-arbitration program to implement the Magnusson-Moss Warranty Program in resolution of disputes between major automobile manufacturers and their customers.

Bill has written extensively on the development of truth in advertising and is the author of "BBB - History and Traditions" which has seen half a million copies in four printings distributed throughout the U.S. and Canada.

Chairman of the Day: CHARLES WONG

LAST WEEK

Confuscious provided the inspirational message as delivered by BOB BOYD followed by HANS MUELLER introducing visiting Rotarians

and guests. A thank you letter was received from Elizabeth Rehfuess for the flowers we sent and Sunshine Chairman DAVE KUCHENTHAL also reported that flowers were being sent to DUANE MERRILL at Alta Bates Hospital where he will be having an operation on his back.

PRES. HANS reminded us of the District Conference in Red Bluff, May 2-5 and RALPH HILL announced the Rotary International 80th Birthday celebration on February 23rd (see separate notice).

Recognition Administrator, AL SILVA, offered potential donators a way out if they could answer some simple questions but EMMETT WIEGMANN still came up with a \$100.00 Paul Harris Sustaining Membership for his 52nd wedding anniversary. LOREN STRAUGHN, having been born the same month EMMETT was married, offered \$52.00 and HAL HOLT, with a recognizable limp from the ski slope, was recognized for \$25.00.

Sponsor HANS MUELLER introduced new member TOM ALLEN who is Assistant Mall Manager at Hilltop. DARROL DAVIS presented TOM with his survival kit. New Member HAL SAUL, a retired Parole Officer, was welcomed by sponsor LEM WASHINGTON and presented with the necessary Rotary materials by DAVE CALFEE.

PRES. HANS hit us with another quotation; this time from Winston Churchill: "If the human race wishes to have a prolonged and indefinite period of material prosperity, they have only got to behave in a peaceful and helpful way toward one another, and science will do for them all they wish and more than they can dream."

Chairman of the Day, STAN TEADERMAN, introduced our speaker, our own KENT MURRAY, who is not only General Manager of Chevron's Richmond Refinery but has found time this past year to be Contra Costa Community Chairman of United Way.

KENT started off with the startling admission that the oil industry created the fuel crises of the seventies. Factors were a lack of credibility, intense competition and dependency on foreign oil. Also, the fact that the host countries were not treated well by the large oil companies led directly to the formation of O.P.E.C. who increased the price of their oil from \$4.00 a barrel to \$40.00 a barrel in a few short years.

KENT showed us slides of graphs showing production by various countries and how the demand has dropped off bringing down the price a little. Claiming that Chevron loses money on every gallon produced, KENT stated that there will be fewer but more efficient service stations in the future. Slides were also shown of the Richmond Refinery with its recent expansion and storage tanks, now valued at 3.3 billion.

The raffle was won by old member DAN READY and new member JOHN PALAZZOTTO.

LAST WEEK

In his continuing series on "Beyond War" PRES. HANS announced that this day was the 66th anniversary of the Treaty of Versailles where Clemenceau of France wanted revenge on the Germans. HANS should have also reminded us that it was also the anniversary of the 18th Amendment - prohibition. TOM BUTT gave the invocation and new member JOHN PALAZZOTTO introduced visiting Rotarians. Guests included MARKKU PELANNE's parents from Finland.

Sunshine Chairman, DAVE KUCHENTHAL, announced that PETE BRAY is recovering from an operation. HANS gave a special thanks to JOHN NICOL for his work on the Reno trip.

Recognition Administrator, AL SILVA, celebrated birthdays with DON RYDER, CHUCK WRIGHT and BOB MILLER and then became one of the regulars when BOB MORRIS, JR. presented him with a blue badge.

In keeping with our program on the Better Business Bureau, HANS gave us the following quotation from Will Rogers: "I would rather be the man who bought the Brooklyn Bridge than the man who sold it."

Chairman of the Day, CHARLIE WONG, introduced our speaker, Bill Wansley, President of the Better Business Bureau for Alameda, Contra Costa, Napa and Solano Counties. Bill, a former Rotarian, gave credit to Rotary for its influence on business integrity. Number one on the list of inquiries from consumers is home remodeling followed by advertising schemes and auto repairs. With 300-500 calls a day coming into their office, they first ask that the complainant first attempt to settle with the supplier. If there is no satisfaction then the B.B.B. will investigate. Information is kept on over 500 charities since many charities take most of the contributions for their own administration.

Mr. Wansley closed by asking for volunteer arbitrators.

The raffle was won by HOWARD MARTIN and STAN GRYDYK.

IN MEMORIAM

We were saddened to learn that CHARLIE CASS passed away January 17, 1985 after a long bout with cancer.

PROGRAM FOR FRIDAY, FEBRUARY 1, 1985

Our speaker this week will be Cynthia L. Lazaroff who will introduce us to the US-USSR Youth Exchange Program. The title of her presentation will be "Education and Exchange: Towards a Better American-Soviet Understanding".

Cynthia is a magna cum laude graduate in Politics and Russian Studies from Princeton University. She speaks fluent Russian, has studied in Leningrad and taught American Culture in Soviet schools.

Cynthia has also served as a consultant for groups and individuals wishing to produce films and establish exchanges with the Soviet Union. Under the aegis of Citizen Exchange Council and independently, she has guided over 200 Americans throughout the USSR to meet the Soviet people, and has recorded and videotaped numerous interviews with school children in the Soviet Union.

Chairman of the Day: TOM BUTT

BOB MELCOME gave a high powered pitch for Young Life tickets with an autographed 49'er football as first prize. He then reminded us of the District Conference coming up May 2-5 in Red Bluff. District Governor Adrian Mendes has asked for a donation of gifts for tote bags to be handed out at the Conference.

Recognition Administrator, Big Bad BILL SHIELDS, often referred to as S.O.B. SHIELDS (Sweet Old BILL) started out by trying to locate all the winners from Reno. BOB MILLER denied winning anything and accused AL PITTMAN of taking it all. AL was not here to defend himself. Long time member WALTER WOLFFS purchased a \$100 Sustaining Paul Harris Fellowship for his 47th wedding anniversary and birthdays were celebrated by MERV DAVIS, HAL HOLT, JOHN NICOL, HAL GREENLEE, DON MILLER and GEORGE EGAN. CHRIS JUDGE put up a little extra for a baby daughter born a few days ago and PRES. HANS was serenaded with "Happy Birthday" for his and Lore's \$200.00 donation to Rotary Foundation.

In other thrilling action, COLBY LA PLACE and SHERMAN TEALS became regulars when BOB MORRIS, JR. issued them their blue badges. (See requirements in last week's bulletin.)

PRES. HANS gave us the following quotation to think about: "An action is moral only if its precept could become the foundation for a general law." - Emanuel Kant

Chairman of the Day, DICK PONDER, introduced our speaker, Lawrence D. Kaplan, M.D., Fellow in Hematology/Oncology at U.C.S.F. who gave us an update on A.I.D.S. (Acquired Immune Deficiency Syndrome). The disease is rapidly increasing and now has the potential

to infect other groups in addition to homosexuals. California and New York are the hottest spots with half of California's cases in the San Francisco area. It is almost 100% fatal and most of the first cases reported in 1980 are now dead.

Dr. Kaplan, small in stature but big in his knowledge of A.I.D.S., showed us slides on how our immune system works and how the disease is transmitted. No blood test will accurately spot A.I.D.S. but it can be identified through certain bacterial, fungal, viral and cancer infections. There have been some infections through transfusions so donors are now being tightly screened.

The raffle was won by DAVE CALFEE and CHARLIE WONG and RALPH HILL will get free lunches for a month.

MEMBERSHIP DEVELOPMENT

Take advantage of the Additional Active Member provision to bring in younger men. All members should think "young" when considering prospects.

We need more young men in our club. Young men are the planners and doers of today and of our immediate tomorrow.

New men mean new ideas. New ideas mean an improved club. Increased manpower for club activities means a better club, one that benefits the club, and the community.

To those who wish to limit club growth,

put the question -- "If others felt the same way as you do, how did you become a Rotarian?"

PROGRAM FOR FRIDAY, FEBRUARY 8, 1985

Our speaker this week will be Matthew D. Haley, Attorney, Law Offices of J. Frederick Haley, Oakland and his topic will be "The Truth About the California Supreme Court".

Matthew grew up in Oakland and went to undergraduate school at UCLA and attended Law School at the University of San Francisco. He was a law clerk for the Honorable Ira A. Brown, Jr. in the San Francisco Superior Court and then he went to work for Lynch & Loofbourrow, a San Francisco firm engaged in insurance defense litigation. About 3 years ago he went into practice with his father in Oakland whose firm primarily represents injury victims and their families and also defend people charged with driving under the influence of alcohol.

Matthew is not only a member of the California Trial Lawyers Assoc., but is involved in their Speakers Bureau. He is also a member of the American Trial Lawyers Assoc., the Alameda County Bar Assoc., the Bar Assoc. of San Francisco and the Barristers Club of San Francisco.

His talk will focus on groups formed recently to campaign against the reconfirmation of Supreme Court Justices Rose Bird, Cruz Reynoso and Joseph Crodin. Neither defending or attacking the records of any Justice, he will discuss how such groups restrict a judge's ability to independently decide each case on its merits. An independent judiciary is crucial to our system and groups of this kind threaten that independence.

Chairman of the Day: LEM WASHINGTON

LAST WEEK 2-1-85

On this first day of Rotary World Understanding Month, PRES. HANS gave us some words to live by from the English author, Charles Lamb. MARKKU PELANNE gave the inspirational message and SHERMAN TEALS welcomed visiting Rotarians and guests. Flags were exchanged with Henry Droux of Midden Betuwe, Netherlands who speaks better English than some of our members.

Recognition Administrator, Dangerous DAN TANITA, posed a question for the medical profession on the significance of this date in history. DON MILLER and WIN BOWMAN didn't remember that February 1st, 1840 was the founding of the first college of dentistry. WIN came up with \$100.00 towards a Paul Harris Sustaining Fellowship. Realtors and Investment Counselors WALT ZERA, RUDY LOEBLEIN and CHARLIE PEICK didn't do so well on the 4-Way Test and ALAN PITTMAN was finally nailed for coming out ahead at Reno. Lawyers DEAN BARBIERI and DOUG STRAUS didn't come up with the right answers plus DOUG threw in a little extra for getting engaged.

In a special vocational talk, Director JOE NUSBAUM told us a little about his company, Wesflex, which manufactures plastic pipe and fittings. JOE, who is involved in product development and coordination has been manufacturing plastic pipe since 1953 and is about ready to retire if he can find a buyer.

PRES. HANS gave us the following thought to think about: "In the long run of history, the censor and the inquisitor have always lost. The only sure weapon against bad ideas is better ideas. The source of better ideas is wisdom. The surest path to wisdom is a liberal education." - A. Whitney Griswold

LAST WEEK (cont'd)

Chairman of the Day, TOM BUTT, after repairing the movie screen with a coat hanger, introduced our speaker, Cynthia Lazaroff, who introduced us to the new idea of an American-Soviet Youth Exchange. As a teacher in Russia, Cynthia feels we should put aside our pre-conceived ideas and look for a better understanding. She brought out what youth in both countries have in common and emphasized the fact that Russian children learn much about the U.S.A. including the language.

So far the exchanges have been one sided with Cynthia conducting many youth tours over there. She is creating a foundation for trips by Russian youth to this country. Cynthia showed slides of life in Russia as well as a trek they took to the Caucasus Mountains.

The raffle was won by RUDY LOEBLEIN and BOB MELCOME.

BOARD MEETING

A meeting of the Board of Directors will be held on Thursday morning, February 14, at Lucky Lanes beginning at 7:30 A.M. All officers and directors are urged to attend and members are invited.

MEMBERSHIP DEVELOPMENT

There are hundreds of qualified men out there--just waiting to be invited into Rotary. Find them. Invite them. Enroll them.

Explain the story and programs of Rotary to prospective members through the Rotary Basic Library. An examination of this new publication--the best source on Rotary in print--could be an important factor in a man's decision to become a member of our club.

Additional Active Membership offers excellent potential for club growth. Is there a business or professional associate in your firm--or another firm--who is service-minded?

It can never be assumed that all potential Rotarians in our community are known. Each of our members should understand that he has a personal responsibility to help fill open classifications with qualified men

THOUGHT FOR THE WEEK

PROGRAM FOR FRIDAY, FEBRUARY 22, 1985

Our speaker this week will be Judy Johnson, World Professional Trampoline Champion with her program "Bounce Back to Health" on how to control and eliminate stress through exercise.

Judy Johnson's incredible trampoline talent has been enjoyed by millions of people

throughout the United States, Mexico, Canada and Europe. She has appeared on major television shows such as Mike Douglas and Johnny Carson. Judy has inspired millions of students by appearing in over 4,000 schools in the last 11 years. Her program has received rave notices from Service Clubs and Women's Clubs all over California. Several organizations have expressed that this was the finest program they have ever had.

The 30 minute program consists of a film clip of Judy and her husband, Harold Coates, doing some thrilling trampoline artistry on Chuck Connor's television program, "Thrill-seekers". In addition to this exciting film, Judy demonstrates the effects obtained through simple exercising.

Harold Coates is a member of the Burbank-Glendale Airport Rotary and a Paul Harris Fellow.

Chairman of the Day: HANK COVELL

LAST WEEK

With a lady Rabbi for our speaker this day, PRES. HANS felt it appropriate to inform us that it was the 165th anniversary of the birth date of Susan B. Anthony. TERRY CLARK gave the inspirational message and DON LAU introduced visiting Rotarians and guests. TERRY also announced that former member Doug Kidd is recovering from an automobile accident.

In the recognition department, the following single members were invited to donate something since they are never called up for an anniversary: BOB BROWN, HENRY KELMAN, DON LAU, BARRY MARTIN, HOWARD MARTIN, TIM OUTMAN, HAL SAUL, JOHN SHERIDAN and WALT WALLACE. LLOYD HENRY put up \$50.00 for 20 years of marriage, CHRIS CHRISTOPHER offered \$25.00 a year for the 1st year and CHARLIE WONG put another \$100.00 towards Jean's Sustaining Paul Harris Fellowship. Vice President GEORGE WACKER also began a Sustaining Fellowship with \$100.00 for his anniversary.

DOUG SWAGER, filling in for RALPH HILL, reminded everyone of the upcoming 80th Anniversary of Rotary celebration at the Concord Hilton on February 23rd.

PRES. HANS gave us the following quotation to think about: "A man may be a fool and not know it, but not if he is married."

Chairman of the Day, JOE NUSBAUM, introduced Rabbi Judy Shanks of Temple Beth Hillel at Hilltop. Rabbi Shanks began her talk on love and poetry in the bible by stating that Hallmark Cards are not the only way we have to express love. Quoting from King Solomon's "Song of Songs", which sometimes borders on the sensuous, she speculated on how these

MEMBERSHIP DEVELOPMENT

"Progress demands growth," said a past club president. And he is right. While "growth" brings to mind many aspects of Rotary expansion, one aspect--internal extension, or membership growth--best assures Rotary's future.

Membership growth is everybody's business. When will you propose a new member?

Is our club's roster of filled and unfilled classifications up to date? If you know of new classification, contact the club classification's committee and help build our membership.

DISTRICT 516 CONFERENCE

Ilzig to be his personal special representative to our District Conference in Red Bluff, May 2-5, 1985. Karl and his lovely Rotary Ann Elsbeth will be hosted by PDG Buck and Lucille Mauzy.

PROGRAM FOR FRIDAY, FEBRUARY 15, 1985

LAST WEEK 2-8-85

Our speaker this week will be Rabbi Judy Shanks, Temple Beth Hillel, Richmond. Her topic, a timely one, will be "Love Poetry and the Bible".

Rabbi Judy Shanks is a native of Phoenix, Arizona. She received her B.A. degree in Religion from Pomona College in Claremont,

California, and was ordained rabbi by the Hebrew Union College Jewish Institute of Religion in New York City.

In the synagogue community, Rabbi Shanks creates an atmosphere of openness, caring and celebration of Jewish Tradition. She teaches the life-enriching values of Judaism from both the ancient and modern masters, and welcomes each congregant's valuable contributions to the living history of their people. She searches for union with God, with the wisdom of Torah and with the Jewish people, and guides the Temple community on this challenging and rewarding path.

Rotary Anns are invited to this special Valentine Program.

Chairman of the Day: JOE NUSBAUM

Starting with his usual bit of trivia, PRES. HANS informed us that it was 398 years ago today that Mary Queen of Scots lost her head. DON HARDISON gave the invocation and KEN BERNDT goose stepped up to the podium shouting "Achtung" so that visitors and guests could be welcomed.

DARROL DAVIS, Chairman of the Awards Committee, is looking for information from directors and chairmen in all four areas of service to submit to the District 516 Awards Committee for Club Recognition or Outstanding Club Award to be presented at the District Conference. DOUG SWAGER is looking for the return of information forms sent to each member some time ago. All information will be put into a computer and kept up to date.

Recognition Administrator, DAN TANITA, had only JOHN STEWART to pick on for a birthday so he fined everyone \$2.00 without a pin. MARK WILSON didn't show to be recognized for his and Anne's baby daughter.

Sponsor HANK KELMAN inducted JOHN LINDBERG into our club and DOUG SWAGER presented him with his pin, badge and necessary publications. JOHN, with Combustion Control, is not new to Rotary, having been president of the Lafayette Club.

It was good to see ailing members PETE BRAY and VAN SWEARINGEN back at the meeting again. HANS pointed out that VAN had provided him with a flue for his cabin in the Sierras back in 1960 and HANS never got billed for it. VAN was last seen rushing back to his office.

In an effort to beef up the charity coffers, HANS extracted a donation from GRANT CALHOUN for knowing that this was the birthdate of Jules Verne but not knowing when he died and JOE NUSBAUM paid for using an almanac to give General Sherman's birth date.

WHO AM I?

New member TOM ALLEN was born in Evanston, Illinois, of a religious, fundamentalist family and later attended a seminary in Southern California. Not caring for that he studied law receiving his degree from Hastings but didn't think much of that either. TOM is now assistant manager of Hilltop Mall and lives in El Cerrito with his wife, Nancy and seven year old daughter. When he tried to describe Rotary to his daughter, she replied, "Oh, it's just like Brownies only for men."

Chairman of the Day, LEM WASHINGTON, introduced our speaker, attorney Matthew Haley who speaks for the California Trial Lawyers Association. The soon to be married Mr. Haley defended Justice Rose Bird and her decisions emphasizing the importance of having an independent Judiciary. A judge is duty bound to follow the law and not be tied to the whims of a group or any individual and must act free of political or emotional pressure. Mr. Haley closed with the statement: "We cannot have a rule of men but a rule of law."

The raffle was won by guests Bonnie Yee and Wes Seapy.

SPECIAL INTER-CITY MEETING WITH ROTARY CLUB OF BERKELEY

Berkeley will be bringing to our club a program on the "Australian Great Barrier Reef" with speaker John Holleman, Marine Biologist and President of Vista College.

Chairman of the Day: Jim Mantufel

LAST WEEK

LEM WASHINGTON gave the invocation and RON ACQUISTAPACE introduced visiting Rotarians and guests. With us was Harold Coates, member of the Burbank-Glendale Airport Rotary Club and husband of Trampoline Champion, Judy Johnson. Since this day was officially George Washington's birthday, PRES. HANS asked BOB BOYD, DOUG SWAGER, FRASER FELTER, DAVE TROUGHTON, DAVE CALFEE and DARROL DAVIS where and when our first president was born. They all donated to our charity fund plus FRASER put in an extra 20 for not being available for a committee because of some minor problems at Brookside Hospital.

PRES. HANS put another 100 towards a Sustaining Paul Harris Fellowship since it

was during this month in 1939 that he arrived by ship in San Francisco from Germany.

Recognition Administrator DAN TANITA collected a dollar a year from ERLE BROWN for his birthday and hit GEORGE EGAN, HOWARD MARTIN and JOHN SHERIDAN for not being here last week to be recognized.

Sponsor BOB BOYD welcomed new member WES SEAPY and GEORGE WACKER gave him his pin and other goodies. WES has been in the plastic moulding business in Richmond for 15 years and lives in El Cerrito.

Sponsor DARROL DAVIS welcomed new member EARNEST CLEMENTS and DAVE CALFEE gave him his pin and survival kit. EARNIE is Richmond's Chief of Police and resides in Martinez with his wife Joann.

Reasonably new member MIKE HARR became one of the regulars when BOB MORRIS awarded him a blue badge. Since, at this point, we were running out of time, BOB then gave a very fast vocational talk.

In separate announcements, Contra Costa County is looking for applicants for the Grand Jury and FRANK CORTESE is looking for banners from other clubs.

Chairman of the Day, FRANK CORTESE, introduced our speaker, Harold Coates, husband of Trampoline Champion, Judy Johnson, Harold, himself a former Trampoline Champion, described how we can all feel better by learning

how to control stress. All people from astronauts to senior citizens can benefit from mild trampoline exercise because it gets the lymphatic system working properly. If the lymph fluids are moving through the body then you cannot get sick. Also, pain is caused by lack of oxygen and working the limbs and contracting the muscles gets the oxygen circulating.

Judy did a series of complicated maneuvers on a large trampoline and then demonstrated a small home model they are promoting along with an exercise program.

The raffle was won by DAVE CALFEE and RUDY LOEBLEIN and FRANK CORTESE gets free lunches for a month.

Chairman of the Day: DAN SANDERS

LAST WEEK

It was Inter-City day with Berkeley Rotary as Pres. Al Hamry joined us along with a contingent of 20 members from our sponsor club. It was 65 years ago that Walter Helms of Richmond Schools got together with Robert Gordon Sproul of U.C. to discuss a Rotary Club for Richmond. MARKKU PELANNE gave the invocation and PRES. HANS, after welcoming the Berkeley members, introduced visitors from other clubs. HANS then had all ex military stand up to be recognized but decided on sticking the admiral (GRANT CALHOUN) for not knowing that Julius Caesar began his campaign against Gaul on this date a couple of thousand years ago.

DOUG SWAGER gave a pitch for the District 516 Conference in Red Bluff (see separate announcement) and DARROL DAVIS reminded us that information for club awards is due now.

New Recognition Administrator SHERMAN TEALS, started off by extracting \$10.00 from his own wallet for not being here last week. He then celebrated birthdays with JIM SCOTT, DOUG SWAGER and BARRY MARTIN. BILL SHIELDS (formerly Big Bad) put up \$100.00 for his birthday because he was just glad to be here.

Sponsor AL SILVA welcomed new member BILL REID, Chief Financial Officer at Mechanics Bank. BILL, who resides in San Anselmo with his two sons, was presented with his pin and materials by DAVE NINOMIYA. NORM LUNDBERG was welcomed back after a nine month leave of absence.

In a special vocational talk, MARKKU PELANNE described his work at the Seaman's Center providing comfort and services for sailors. MARKKU, who was born in Finland, received his higher education here at U.C. and then decided to serve his fellow man and help make Richmond a nice place to visit.

Before the speaker came on, PRES. HANS gave us the following quotation: "When you travel, remember that a foreign country is not designed to make you comfortable---It is designed to make its own people comfortable." -Clifton Fadiman.

Chairman of the Day, Jim Manteufel, introduced our speaker, John Holleman, who brought with him some spectacular slides of Australia's Great Barrier Reef. Mr. Holleman, who was formerly an invertebrate zoologist at U.C. is now a Marine Biologist and President of Vista College. He described the 2000 mile Reef as being made up mostly of small coral

WES SEAPY was born in a log cabin on the plains of Montana but soon got out of there to attend schools in Southern California. After graduating from U.C. Berkeley he spent four years in the Navy during WWII. WES was in the paint business for 20 years in this area and then began manufacturing plastic paint paddles. This led to custom plastic moldings at his present company, Harbor Plastics.

Chairman of the Day DAN SANDERS introduced our speaker Robert Steiner, an accountant who is quite a magician on the side. Mr. Steiner did several card tricks and then confounded us with amazing demonstrations of E.S.P. and power of suggestion. Our speaker will be Dr. William Ellis, Eye Physician and Surgeon, and his topic will be "Advances in Eye Surgery".

Dr. William Ellis has devoted his career to bringing innovative medical and surgical techniques to the restoration of vision. He performs anterior segment surgery and all major types of cataract operations, and has over ten years experience in intraocular lens implantation. As a skilled ophthalmic plastic surgeon, Dr. Ellis performs blepharoplasty, eyelid reconstruction and ptosis surgery of all kinds. He is proficient in the use of ophthalmic lasers, including the YAG laser, the latest addition to the ophthalmic armamentarium.

Dr. Ellis received his Bachelors Degree Cum Laude in Electrical Engineering from UC Berkeley; he studied organ transplantation while attending Washington University in St. Louis where he received his M.D.; and he received his surgical training at Stanford University where many of the techniques of laser surgery were developed.

Presently serving as a Clinicial Assistant Professor of Ophthalmology at the UC Medical Center, San Francisco, Dr. Ellis also lectures to professional groups and has published articles in the authoritative American Journal of Ophthalmology. In his travels he has taught and performed eye surgery in under-developed nations.

LAST WEEK

The Richmond Soroptimists came out in force for our annual joint meeting and we learned from their president, Cameron Mitchell, that Soroptimists were first organized in 1921 and are now the largest women's service organization. A rundown was given on an impressive number of civic projects now in progress by this active group of women and Cameron then presented PRES. HANS with a gift for Richmond Rotary's 65th birthday and also a timer for long talkers. It was announced by Cameron that their annual Human Rights Award will be presented to DAVE CALFEE at a banquet on May 16 at the Richmond Country Club.

GEORGE WACKER reported that Secretary CARL is doing fine after surgery at Brookside Hospital. GEORGE also announced that all directors and certain chairmen are urged to attend the District Assembly on Saturday, April 13. The purpose of this Assembly is to provide the incoming club President, Secretary and other club leaders with a greater understanding of their responsibilities and opportunities for service.

DAVE ALMEIDA reminded us of the G.S.E. Welcoming Banquet on April 16 (see separate announcement) and DOUG SWAGER is still looking for completed roster survey forms to feed into his computer.

PRES. HANS quizzed Swedes ELOF GRANBERG, JOHN LINDBERG and RICHARD WYNECOFF on what Swedish king was assassinated on this date in 1792 and not being satisfied with the answers collected \$10.00 from each. On his last day as Recognition Administrator, SHERMAN TEALS collected \$41.00 from TOM BUTT and accepted \$100.00 from DAVE ALMEIDA

towards a Paul Harris Sustaining Fellowship. We won't have old SHERMAN to kick around anymore.

It was a little late in the program but DAN READY introduced visiting Rotarians and guests. John Collins was here from Ross Valley Club. HAL HOLT tried to convince us that his shiner was from a baseball.

Chairman of the Day, BOB BOYD, introduced speaker MONA REEVA, Executive Director of Rubicon Programs. In 1973 a problem was seen providing for the mentally disabled. Rubicon gives them a purpose in life by providing vocational training and life skills so that they can become contributing members of society. There is food service training in cooperation with the YWCA and Richmond Unified School District and a garden center is maintained in El Cerrito. They now hold landscape maintenance contracts for several government buildings.

The raffle was won by DAN READY, Hazel Boyd and "BATCH" BATCHELDER and PRES. HANS himself gets free meals for a month.

G.S.E. TEAM FROM INDIA TO ARRIVE SOON

Five young business and professional men and a Rotarian leader from District 320 in India will be arriving on April 14 to spend five weeks touring District 516. Their first week will be in this area and a welcoming banquet will be held on Tuesday evening,

April 16 at Mira Vista Golf & Country Club. Tickets to the banquet are available from DAVE ALMEIDA (who will be the Master of Ceremonies) and NORM FOLEY. Please make your reservations early.

LAST WEEK

CHARLIE FENDER gave us an inspirational message plus an invocation and new bride-groom HANK KELMAN introduced visiting Rotarians and guests. District 516 Area Rep. Bill Frank was on hand to see how things are going here. DAVE ALMEIDA plugged the G.S.E. Banquet (see separate announcement) and DOUG SWAGER is still looking for the return of all the Roster Survey Forms. DAN READY, filling in for recuperating CARL, let us know how lousy our attendance has been and Ed Lane of the San Pablo Club announced a four-club work party to build another cabin at Camp Ravencliffe on the weekend of May 17 & 18.

PRES. HANS continued his weekly history trivia by sinking former Navy man DAN READY with a question on Noah's Ark and DAN SANDERS with the birthdate of Alexander the Great. JOHN NICOL did admirably but DON MILLER didn't have the Midas touch.

Recognition Administrator Big Bad BILL SHIELDS, back after much too short an absence, celebrated birthdays with GRANT CALHOUN, DON HARDISON and DUANE MERRILL. GRANT, being the senior member of that august trio, put up \$50.00 while DON offered \$50.00 because he felt like 50. DUANE donated \$35.00 because he didn't feel 50. DAVE TROUGHTON became a dollar a year man for his silver anniversary.

Chairman of the Day SHERMAN TEALS, introduced our speaker, Dr. Bill Ellis, eye physician and surgeon. Dr. Ellis, who originally studied engineering, is now applying science and technology to eye surgery. What used to require several weeks of hospitalization following a cataract operation is now a 30 minute operation through the use of lasers. With the use of ultrasonic micro-

PROGRAM FOR FRIDAY, APRIL 19, 1985

This Friday will see all of the long time members and former members gather for an Old Timers Day. Come and see what your old friends look like and renew acquaintances.

A special program has been arranged for this day to include stories and descriptions of what Rotary was like in the early days.

Chairman of the Day, DAN READY, has sent invitations to all long time and former members so a good turnout can be expected.

Chairman of the Day: DAN READY

me but HANS still collected \$10.00 from each.

After the above lengthy history lesson, it came time for "Adventures in Announcements". TOM BUTT told us about a new idea being promoted by Rotary whereby you can exchange homes with a Rotarian family in another country for a vacation stay. If you are interested in a home exchange program, contact TOM at 236-7435. BOB MELCOMBE advised that the District Conference at Red Bluff on May 2-5 is already filled up, however, latest information is that they will still accept a few applications. HOWARD MARTIN announced that our annual picnic will be held on June 15th at Angel Island. More details later on transportation, etc.

Recognition Administrator, Big Bad BILL SHIELDS, had a big list of birthdays and anniversaries to choose from but started off on DON RYDER for littering the tables with campaign literature and CHUCK WRIGHT for something or other. Anniversaries were celebrated by RALPH HILL and DAVE LEIBEL (50 for 43) and birthdays by DEAN BARBIERI (30 for 30), HOWARD MARTIN (41 for 41) and AL SILVA at 50¢ a year. LEM WASHINGTON covered both a birthday and an anniversary.

In a special presentation, Past President DAVE CALFEE handed over a check for \$350.00 from Richmond Rotary to Cathy Bishop, representing "Meals on Wheels". This organization provides hot meals to the elderly, handicapped and shut-ins who cannot prepare their own meals.

Chairman of the Day, DON LAU, introduced

CHUCK WRIGHT gave us the invocation and LLOYD HENRY introduced visiting Rotarians and guests. Continuing with and expanding on his questions of historical trivia, PRES. HANS quizzed RON AQUISTAPACE on the numerous Crusades between the 11th and 13th centuries; CHRIS CHRISTOPHER on the beginning of the Civil War this month in 1861 with the firing on Fort Sumter; TOM ALLEN on the passing of President Roosevelt in 1945 and DAN YEE on the first manned flight in space by Yuri Gagarin. The answers given all seemed quite good to

DON, who recently MC'd a roast for Sunne at a YMCA fund raiser, described Sunne as the "Queen of the Delta" for her work in defeating the Peripheral Canal a couple of years ago. Ms McPeak feels it is now time to settle the water wars once and for all and end the politics in it. The "Committee for Water Policy Consensus" was formed to bring sanity to all water programs and it has been determined that not only should there be banking of water in the Delta but over 1 million acre feet could be realized through more efficient use.

JOHN NICOL's raffle was won by JOHN NICOL and WILLIE REED.

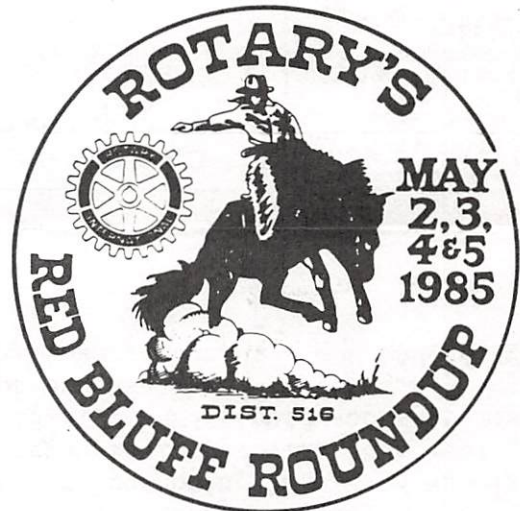

ROTARY DAY AT THE RACES

Again this year Albany Rotary Club is sponsoring East Bay Rotary Day at Golden Gate Fields, and the date has been set for Wednesday, April 24th, in the Terrace Room of the Turf Club.

Tickets are priced at \$14.00 and include a delicious buffet luncheon from 12:15 to 2:00 p.m. Two dollars of each ticket goes to the International Rotary Scholarship fund. Contact JOHN SHERIDAN for tickets.

R.I. CONVENTION - KANSAS CITY, MISSOURI - Sunday, May 26 through Wednesday, May 29, 1985

Now is the time to start planning your trip to the International Convention next May in beautiful Kansas City (the San Francisco of the Mid-West). For more information on the many great restaurants, museums, golf courses, tennis courts, parks (Swope), etc., in the rolling hills of Greater Kansas City, call BOB BOYD.

THOUGHT FOR THE WEEK

Getting a candidate to take a stand on today's issues is like trying to nail a custard pie to the wall.

PROGRAM FOR FRIDAY, APRIL 26, 1985

Our speaker this week will be Joseph R. Mariotti, M.D., and his presentation will be entitled "Non-tour Tour of China".

Dr. Mariotti went to medical school in Philadelphia. He began his practice of orthopaedic surgery in 1969 in San Pablo. He lives in Pinole (in the Fernandez Mansion) with his wife Gretchen. They have four children, three in college and one in high school.

Dr. Mariotti is a City Councilman in Pinole and is also President of the Pinole Historical Society. He serves on many community service organizations in the West County area.

Chairman of the Day: DAVE KUCHENTHAL

SECRETARY'S DAY!

This being National Secretary's Week, bring your secretary to a very interesting program this Friday.

LAST WEEK:

A large gathering of Rotarians and guests filled the Mira Vista Country Club to celebrate "Ole-Timers Day" last Friday... PRESIDENT HANS SHAPER had difficulty in calling the meeting to order due to the welcoming of many familiar faces of yesteryears... The pledge of allegiance to the flag echoed throughout the club. MARKKU PELANNE gave the

invocation and MIKE HARR introduced visiting Rotarians and guests, noting that former member, Dr. Hollis Mortenson travelled all the way from Grass Valley to attend the annual get-together... BOB BOYD honored the birthday and anniversary members with proper recognition, including NICK PETSAS and WALT ZERA... TOM BUTTS proudly presented in behalf of the Club to the Richmond Seamen's Center a check for \$1,000 to support and aid this fine organization. MARKKU PELANNE, General Manager, accepted this monetary donation of welcome and hospitality here in Richmond... "Community Service is called the Heart Beat of Rotary".

Chairman of the Day, DANIEL J. READY, opened the "Ole-Timers" program with a brief resume of his life in Rotary since 1949 sharing his friendships and experiences... DAN introduced RICHARD NELSON, son of a charter member of 1920, and active member since 1956... DICK reviewed his Rotary service with a proud history of his dad and himself as downtown grocers; he also named all the second generation of Rotarians that were present... Our Chairman DAN, with his usual sense of humor, honored the "oldest active member" WALTER W. WOLFFS, Senior Active 1936... WALTER captured the audience immediately with a few stories that created laughter and reminiscence to all. He said that the meeting was "a great occasion and he was very proud to be with his old and young fellow Rotarians". WALTER, well known throughout the community for his smile and generosity, related his early days in Rotary where meetings were held at the old Carquinez Hotel, later called the Don Hotel on Tenth Street... DAVID C. GRAY, Senior Active 1937,

followed with a comment regarding his purchase of a watch from jeweler WALTER WOLFFS back in 1937..."The watch is still running." DAVID gave a "Who Am I" story of his life in the public school system with Walter Helms, past secretary and president. Two of his pet projects were the Scholarship Program and the Y.M.C.A. ...The chairman recognized past president and governor, C. EDWARD RUTLEDGE; GEORGE H. JOHNSTON, past president; CARL REHFUSS, past president and governor; DON HARDISON, vice president '85-86; and RALPH HILL, past president. Admiral GRANT CALHOUN was quoted to say, "It's nice to be around the Old Folks"...The meeting closed past 1:30 with photographs and video tapes made of all the "Ole-Timers" present. (Any omissions of names of guests or Rotarians, "we apologize" due to the many, many people involved during this great day!!!)

G.S.E. TEAM IN AREA

Last week five young business and professional men and Rotarian leader from District 320 in India were given a tour of industrial and educational facilities in the East Bay including sightseeing in San Francisco and on the Bay. On Tuesday, April 16, they were guests at a welcoming banquet at Mira Vista Country Club sponsored by Richmond Rotary and other Area B clubs. For the

next 4 weeks they will be touring the rest of District 516 and be in attendance at the District Conference, May 2-5 in Red Bluff.

MEMBERSHIP DEVELOPMENT

When will membership in Rotary reach one million men? Based on the current rate of growth, the million-member year may not be reached until after 1990! Our club, along with all other Rotary clubs around the world, can speed this along. Let us resolve to make a concerted effort to attract new members and attain this goal sooner.

"An inactive Rotary club without any membership growth is, so to say, like a home of a couple in the stage of weariness of their married life. Such a club needs young members; married couples need children. Qualified young members bring impetus and energy into the club and rejuvenate the club."--Hiroji Mukasa, Past President of R.I.

PROGRAM FOR FRIDAY, MAY 3, 1985

Our speaker this week will be Gary T. Yancy, District Attorney/Public Administrator for Contra Costa County, appointed by the Board of Supervisors January 8, 1985. The theme of his talk will be "Law Day".

Gary did his undergraduate work at the University of California, Berkeley, where he earned his Bachelor of Science in Chemical Engineering and his legal training at Hastings College of the Law in San Francisco where he earned his Juris Doctor Degree.

He was hired as a Deputy District Attorney in 1969 and except for 10 months in private business in 1977, has been a prosecutor since that time. He has prosecuted some 70 felony trials, including 18 murder cases besides being Deputy-in-Charge of Career Criminal, Richmond branch office.

Gary also served 4 years in the U.S. Navy with duty in Vietnam and other Far East areas. He is married to Vicky Yancey and they have one daughter.

Chairman of the Day: DOUG STRAUS

LAST WEEK

A number of secretaries were on hand to hear DAVE CALFEE give the inspirational message and CHRIS JUDGE introduce visiting Rotarians and guests. WES SEAPY did a fair job on the trivia questions from PRES. HANS but his knowledge of the Panama Canal was not quite good enough to prevent a \$10.00

fine. Announcements included a May 6th Fly-In at Davis, a Charter Night for the new Walnut Creek Sunrise Club on May 18th at the Concord Hilton and a Human Rights Award Luncheon for DAVE CALFEE on May 16 at the Richmond Country Club. DAVE, who will be honored that day by the Richmond Soroptimists, was fined \$10.00 for having his picture and announcement scattered about the area.

Recognition Administrator, Big Bad BILL SHIELDS, fined PRES. HANS \$10.00 for having a picture in the newspaper showing him at the Group Study Exchange Banquet. Birthdays were celebrated by BOB WAEGER and DAN TANITA.

In a special presentation, PRES. HANS awarded BOB BOYD and BOB MILLER Paul Harris Fellowships for their outstanding service to Rotary.

WHO AM I?

JOHN PALAZZOTTO was born and raised in Oakland and then worked with dummies (in store windows) before attending College of Arts and Crafts. After selling and designing ads for several years for the Richmond Independent and Contra Costa Times, he started his own company, J.P. Advertising, in El Cerrito. JOHN lives in El Cerrito with his wife Roxie.

BILL REID started out in Yonkers, N.Y. and after attending schools there joined the Army Reserve. After the Army he decided on a future of banking spending several years with Wells Fargo and Crocker Bank. BILL, who is now Chief Financial Officer at Mechanics Bank, is active in sports and civic activities in Marin County.

introduced Dr. Joseph Mariotti, Pinole Councilman and President of the Pinole Historical Society. Several years ago Dr. Mariotti also headed up a group called S.L.O.P. (Ship Lifters of Pinole) which raised an old schooner from the mud. He is now known as the "Creek Man" for saving Pinole Creek.

Joe took us on a bicycle tour, via slides, of China starting at Hong Kong and going as far north as Beijing by train. After Joe and his two sons and a daughter rode their bicycles on the Great Wall, they travelled by plane and riverboat into central China. They saw millions of people, few autos and lots of bicycles. Even though many people are poor by our standards, there is virtually no begging and no starvation. The trains have three classes; soft berth, hard berth and hard seat.

The raffle was won by Shirley Beelin and BOB WAEGNER and LEM WASHINGTON gets free lunches for a month.

PROGRAM FOR FRIDAY, MAY 10, 1985

Our speaker this week will be Mel Wax, Director of Public Affairs for the Port of Oakland. The title of his presentation is "Port of Oakland".

As Director of Public Affairs Mel Wax directs and implements a full range of public relations, advertising, governmental relations, marketing and promotional activities for the Port's marine terminals, the Oakland International Airport, North Airport and the Port's extensive commercial, industrial and recreational properties.

Mel has an impressive record of achievements in the fields of journalism and urban affairs. He held the position of Director of Information for the City and County of San Francisco, in which capacity he served as press secretary to Mayors Dianne Feinstein and George Moscone. Mel was, for 10 years, producer and moderator of a news and commentary program on a San Francisco television station. Before that he worked for major American newspapers as a reporter and editor. He also served as Mayor of Sausalito.

A native of Boston, Mel is a graduate of Dartmouth College. He later studied at Harvard University as a Nieman Fellow.

Chairman of the Day: DON RYDER

LAST WEEK

Vice President, GEORGE WACKER, opened the meeting...pledge to the flag by Sgt. JIM SCOTT and inspiration by Admr. GRANT CALHOUN. Visiting Rotarians included Mr. Wayne from El

Sobranite and Ed Lane from San Pablo who reminded us of the Hut Building Project at Camp Ravencliff; interested parties should contact him. Visitors present were Les Lawrence (MELCOME), John Cash (FEAGLEY), Ron Lee (ALMEIDA), and CHARLIE FENDER brought his lovely daughter Carol Crowley (you know, Rose among thorns....).

V.P. WACKER went on to remind us about the new Walnut Creek Sunrise Club Charter Night (see him for info), and of course the R.I. Convention in Kansas City (see him again...). Terrible TERRY CLARK was the man to answer to today and he found three anniversaries: JOHN & Felicia NICOL for \$33, JERRY FEAGLEY and his bride for \$20 and DAVE KUCHENTHAL and a lady named MRS. Olson (bet she serves great coffee...) for an unspecified amount.

Rotary night at the A's \$4.10 each!!!! From WHO AM I? to WHAT AM I? DAN SANDERS baffled everyone with his definition of himself but was entertaining and informative (College will do that).

Ms. Sue Wittenberg and Mr. C. Danford Cieloha were on hand to accept our check for \$1,000 to the R.U.E.F. (Richmond Unified Education Fund), whose goal is to bring students in contact with diverse cultures through experience: language, cuisine, artifacts, music, etc. BEST OF LUCK.

Chairman of the Day, DOUG STRAUS, introduced our speaker, Mr. Gary Yancey, Contra Costa County District Attorney. Gary started (and nearly completed) the program by saying Hello to every Rotarian he knew (is that an Elective Office?).

The D.A. staff is comprised of approxi-

mately 200 persons including 60 lawyers (about the same percentage as Rotary...) who prosecute 26,000 cases annually on a budget of \$9 million. Since Prop. 13 days, the staff has remained constant but the workload is up 50% from 1978. As such, the Office is externally limited, but internally regulated; the D.A. must prioritize his Staff/Budget according to the prevailing need.

The Office is split into two major parts, the Criminal side and Family Support. The latter has only 4 lawyers, but gets fully half the Personnel and Budget. It does, however, recover (1984) \$10.23 million in back support payments from errant spouses. Current priorities in Mr. Yancey's Office are Violent Crimes against Seniors, Children and Women. Also newly strengthened are Consumer Fraud and Toxic Waste units.

Mr. Yancey pointed to the two-pronged problem facing West County: the ubiquitous Drug Traffic and companion Burglary/Robbery rates but even more importantly the deadly by-product of this activity, War in the Streets. To de-escalate Street Violence, his Office does not offer Rehab programs or Plea Bargains to violent offenders, "We prosecute, that's it", he stated. With the #1 Commitment rate in California, over 50%, it appears that he is indeed reducing the quantity of "enemy soldiers" on the streets.

Acting, Acting Secretary JOHN NICOL deferred his duties to Acting Raffle Master, Sgt. JIM SCOTT, so that KEVIN DOLAN and CHUCK WRIGHT (as themselves) could walk away winners.

Acting Pres. WACKER closed the meeting...

PROGRAM FOR FRIDAY, MAY 17, 1985

Our speaker this week will be Kevin Geraghty, M.D., an Allergist and El Cerrito pediatrician and immunologist. The title of his presentation is "Wheezin, Sneezin and Scratchin".

Dr. Geraghty earned his M.D. degree from the State University of New York. He served his internship at Cook County Hospital in Chicago where he also did one year's residency (pediatrics) and then one year each at the University of Chicago and U.C.S.F. Med Center (allergy/immunology) Fellowship. He holds certifications with the American Board in Allergy & Immunology and Pediatrics.

Following honorable discharge from the Army he worked as a laboratory technologist at Brookside while completing undergraduate work at Contra Costa College and U.C. Berkeley. As an active member of Brookside's medical staff, he is chairman of the Pharmacy and Therapeutics Committee, former chairman of the Credentials Committee, and co-founder and chairman of the Nutrition Committee. He has also developed an interest in research into the safety of our current childhood DPT vaccine. This has led to several publications in recent medical journals. His goal is to expose the hazards of the pertussis vaccine, and to require the government to start an all-out effort to find a safe replacement.

Dr. Geraghty is currently president-elect of the Contra Costa-Solano Lung Association and director of the Contra Costa-Alameda Epilepsy League.

Chairman of the Day: FRASER FELTER

LAST WEEK

The invocation was by TOM ALLEN with some thoughts from an ancient Chinese philosopher (something about a tortoise dragging its tail in the mud) and TROY GROVE had a hard time finding visiting Rotarians to introduce. PRES. HANS reminded us that May 8 was the 40th anniversary of V.E. Day and then read some personal notes on how history had repeated itself in regard to war (see insert).

TOM BUTT announced that District 516 will be sending a Group Study Exchange Team to District 320 in southern India January-February of next year to complete the exchange with the team from India presently in this area. Qualified candidates will be interviewed in September and a Rotarian will be selected to accompany the 5 men selected. Candidates must be outstanding young men in their business or profession between the ages of 25 and 35. If you know of someone who could make this goodwill trip, contact TOM, WERNER SCHWARZ or NORM FOLEY.

HANK COVELL announced that the Richmond Soroptimists will be presenting their Human Rights Award to DAVE CALFEE at a luncheon to be held at the Richmond Country Club, Thursday, May 16.

Recognition Administrator, Big Bad BILL SHIELDS started things off by fining DON MILLER for whispering to PRES. HANS at the head table and then hit last week's acting president, GEORGE WACKER, for relieving BILL of his duties at that meeting. DAVE TROUGHTON celebrated a birthday for \$25.00 and \$100.00 Paul Harris Sustaining Memberships were purchased by CHARLIE PEICK and JERRY OVERAA for their birthdays. BILL then extracted \$1.00 from everyone who did not attend the District

Conference. Quite a haul was made as only 6 of us attended the Conference - a rather sorry representation from a 140 member club.

Chairman of the Day, DON RYDER, introduced Mel Wax, former Press Secretary for Diane Feinstein and George Moscone and presently Director of Public Affairs for the Port of Oakland. Mel was mayor of Sausalito before Sally Stanford and claims to have taught her everything she knew. San Francisco felt back in the 60's that they already had plenty of port activity and didn't need containers. Now San Francisco has fallen behind Oakland in total ship tonnage with 95% of all containers coming through the Gate going to Oakland. Also, Oakland is a terminus for three main railroads distributing the cargo inland.

There is a 40 million expansion at Oakland Airport where the traffic has increased 24% over last year. The Port Authority takes no tax money but raises revenue through lease of lands and revenue from port and airport.

The raffle was won by WILLIE REED and HANK COVELL.

BOARD MEETING

A Board of Directors meeting will be held this Thursday morning, May 16, 7:30 AM at Lucky Lanes in San Pablo. All officers and directors are urged to attend and members are invited.

NEW COMMITTEE!

DOUG SWAGER has been named chairman of the Membership Records Committee. His first official duty is to collect all the data sheets that some of you have been hanging onto so long.

WHAT IS FRIENDSHIP EXCHANGE?

The Rotary Friendship Exchange Program is an activity in which Rotarians and their families carry out reciprocal visits, living for a few days in the homes of Rotarians and their families in other countries. Its purpose: Advancing international understanding, goodwill, and peace through people-to-people contacts across national boundaries.

There are two types of Friendship Exchanges. The first is a club-to-club visitor program in which individual Rotarians, who may be accompanied by family members, spend a few days in the home of a Rotarian in another country. The second is a district-to-district team program in which four to six Rotary couples visit several communities in the host district for up to one month. Both types of visits are coordinated by district friendship exchange committees and both are carried out at no expense to Rotary International. For more details contact TOM BUTT at 236-7435.

PROGRAM FOR FRIDAY, MAY 24, 1985

We will be in for a half hour of entertainment as the El Cerrito High School Vocal Jazz Ensemble under the direction of Richard Gray will be presenting their latest jazz selections.

Director Richard Gray, who is an accomplished bass and piano player and writes many of the arrangements for the ensemble, will be retiring this year after many years of service to the school district.

The ensemble, which sings at retirement and senior citizen centers every Christmas, was formed ten years ago by our own TERRY CLARK.

Chairman of the Day: TERRY CLARK

LAST WEEK

The invocation was given by MARKKU PELANNE and Vice President-elect, DON HARDISON welcomed visiting Rotarians and guests. DAVE CALFEE introduced his guest as the only lawyer in town not already in Rotary. WERNER SCHWARZ announced that District 516 will be given eleven graduate scholarships to hand out this year and if you know of any college student near graduation who would be interested in a year's study in a foreign country, have them contact WIN BOWMAN.

DAVE ALMEIDA introduced Ron Lee of the Richmond Police Department who introduced Master Sian-Teh Huang recently retired chief of the Taiwan Police Department and former General under Chiang Kai-shek. DAVE presented Master Sian with a certificate recognizing his visit to our club.

PRES. HANS picked on BOB MORRIS for his bit of history trivia on George Washington. BOB answered that on this date in 1784 George had tried to sell a brown cow to someone who wanted chocolate milk. \$10.00 please. HANS then decided not to fine WERNER SCHWARZ for recent disturbances because WERNER had received Rotary Foundation's Meritorious Service Award at the District Conference.

DON MILLER then took the podium to sell magazines, that is, to sell us on reading the Rotarian magazine. He covered all the interesting articles in the most recent issue including one on Credit Card Criminals.

Recognition Administrator Big Bad BILL SHIELDS nailed STAN GRYDYK for 41 years of marriage and DAVE CALFEE for 42 years of marriage plus a little extra for DAVE's Human Rights Award presented to him by the Soroptimists the previous day. LLOYD HENRY offered 25.00 and 3 cases of beer to the Rotary workers at Camp Ravencliff for his Birthday and P.D.G. DORR ETZLER put up \$50.00 for his birthday and then forced us to listen to a poem. KEN BERNDT had to volunteer his anniversary with \$20.00 here and \$5.00 at El Cerrito (so he says).

Chairman of the Day, FRASER FELTER started his introduction of Dr. Kevin Geraghty

by donating \$20.00 to our charity fund for all the Brookside Hospital advertising littering the tables. FRASER then told a little story about Secretary CARL's recent stay there and his preference for a particular nurse.

Dr. Geraghty abandoned his announced subject of allergies and instead launched into a promotion of Brookside Hospital. At times apologizing for past mistakes made by management at Brookside, Dr. Geraghty stated that failure to communicate resulted in excesses in purchasing but that now everyone has had it with skyrocketing health care costs. Brookside will now be competitive and still provide better service with special departments such as the Burn Center, Hyperbaric Oxygen Unit, Women's Center and Industrial Medicine.

Dr. Geraghty closed by chiding Richmond Rotary for allowing the Lions Club to pass us up in blood donations.

The raffle was won by MARK WILSON and DAVE LEIBEL.

\$567,000 3-H Grant for Ethiopia

What is Rotary doing to help famine/drought-stricken Ethiopia? This is a common question being asked by clubs. The Foundation Trustees have recently awarded a 3-H Grant of US\$567,000 to "Save the Children," a reputable international agency with field staff in place and with established working relations with the Ethiopian government.

This two-year 3-H project will provide emergency food relief and medical treatment combined with long-term agricultural assistance for some 300,000 people. Your club can help by channeling contributions through the Foundation.

Rotary aid to Ethiopia is also coming in other forms. Examples: a Foundation Special Grant has been awarded to the Rotary Club of Bishop's Stortford, England, to help provide water filtration equipment to needy villages; Foundation Scholar Katie Taylor of San Jose, California, is at present working as a public health educator with Addis Ababa University and the Ethiopian health ministry to aid the relief efforts of the Rotary Club of Addis Ababa.

The Foundation's 3-H Program is currently involved in nine other projects in Africa--including nutrition in Uganda agricultural training in Ghana, and health development in Mali--at a cost of US\$2.18 million.

PROGRAM FOR FRIDAY, MAY 31, 1985

Our speaker this week will be a fellow member of Richmond Rotary, TOM ALLEN, and his topic will be "The Loss of the R.M.S. Titanic".

TOM ALLEN was educated in Religion, History and Philosophy at the University of Redlands in Southern California and studied law at Hastings College of the Law in San Francisco, graduating in 1976. He is a member of the State Bar of California but practised law for only a short time before leaving to learn the retail book business. He managed stores in Los Angeles for B. Dalton and in San Diego County for Brentano's. The latter declared bankruptcy and, after going down with the ship, TOM joined the Taubman Company for whom he now toils as Assistant Center Manager at Hilltop.

TOM lives in El Cerrito with his wife Nancy and daughters Emily, 8 and Julie, 5. TOM has never been on an ocean liner and knows less about ships than he cares to admit. However, he likes to tell a good story and there are few which surpass that of the Titanic.

Chairman of the Day: MARKKU PELANNE

LAST WEEK

MARKKU PELANNE gave us a short and sweet inspirational message and BILL REID introduced visiting Rotarians and guests.

PRES. HANS immediately launched into his history trivia by collecting 10.00 from JERRY OVERAA for not knowing that on this day in 1869 our government approved the 8 hour working day. FRANK CORTESE announced that Rotary Night at the A's would be on July 12 (see separate announcement).

Director of International Service, TOM BUTT, announced that District 516 will be soon selecting candidates for graduate scholarships and yours truly asked that we be on the lookout for young business and professional men to be sent as a Group Study Exchange Team to District 320 in southern India early next year.

Recognition Administrator Big Bad BILL SHIELDS celebrated a birthday with BILL WAHBEH then collected \$35.00 from TROY GROVE before he leaves for Rome to compete in the World Seniors Games. TROY, who is over 60 years of age, will be running in the 800 and 1500 meter races.

In a special Community Service project, BOB MILLER and three other Rotarians worked last weekend at YMCA's Camp Ravencliff in the Redwoods to help build a new cabin. YMCA Director Ken Stein was here to accept two checks from BOB: One for \$500.00 for the camp and one for \$2,000.00 towards a new computer. I.B.M. will also donate much of the computer.

Chairman of the Day TERRY CLARK introduced the El Cerrito Vocal Jazz Ensemble under the direction of Richard Gray. Dick is re-tiring this year after 35 years with the school district. This group of delightful and talented youngsters entertained us with several old favorites starting with "Getting to Know You" on through A capella and ending

Dick was presented with a Certificate of Appreciation and a check to cover their expenses.
The raffle was won by KENT MURRAY and guest John Rogers. They each won a ham - obviously kosher in deference to our president.

ROTARY NIGHT AT THE A's
Friday, July 12, 1985
Oakland A's vs. Milwaukee Brewers

Chairman FRANK CORTESE has blocked off a special section for District 516 and the tickets are only \$4.10 apiece.
Pinole Rotary will again provide the tailgate party for only \$6.00 apiece. Barbecue and beer. Sign up with FRANK CORTESE or JOHN NICOL this Friday.

What in Blue Blazes is an IYFRARIAN?
IFYR is a World Wide group of Rotarians from hundreds of clubs joined together into an auxiliary Rotary organization called the International Yachting Fellowship of Rotarians in fourteen countries around the world. Within these countries the Rotary members are joined together into fleets with an individual activity schedule.

In Northern California the San Francisco Fleet has twenty-seven members from nineteen clubs. There are many social events including two overnight cruises per year and a dinner in the fall.
They only soak you 15.00 to join and you don't even need a boat. Contact Harold Smith, Jr., P.O. Box 1731, Lafayette, CA 94549.

BOB MILLER presents checks to YMCA Director, Ken Stein.

PROGRAM FOR FRIDAY, JUNE 7, 1985

Our speaker this week will be Raymond L. Brosterhous II, Deputy Attorney General, and his topic will be "California Supreme Court".

Raymond L. Brosterhous II has been a criminal prosecutor for nine years in California's trial and appellate courts. Following his discharge as a Captain from the United States Air Force, he attended the University of Santa Clara Law School where he received his Juris Doctor magna cum laude in 1976. The following four years were spent in the trial prosecution of various felony and misdemeanor violations as a deputy district attorney in the San Bernardino County District Attorney's Office while the next five years have been spent as a trial and appellate prosecutor in the Criminal Division of the California Attorney General's Office.

Mr. Brosterhous has appeared on cases ranging from drunk driving to multiple murder at every court level in the state, including three appearances before the California Supreme Court. He is appearing as a spokesman for Crime Victims for Court Reform and his views, attitudes, and opinions are not intended to represent the views or positions of any governmental agency.

Chairman of the Day: DARROL DAVIS

LAST WEEK

Our meeting was opened by PRES. HANS leading us in the Pledge of Allegiance, followed by DON LAU with a moment of silence for member AL SILVA's wife, Anne, who is ill; Best Wishes, Anne...

TED SMITH introduced visiting Rotarians

Brad Harris and Schuyler Bailey from Berkeley, Tom Prelock-El Cerrito, Wendell Zeimina-San Pablo, and Dr. Bill Ellis-El Sobrante, Guests included Ed Howe (B. WRIGHT), June Liddicoat, Randi Hurlbut, Candy Miller, and Judy Morgan from Richmond Art Center were also with us today to sell tickets for their Auction on June (love those sashes, ladies...). FRANK CORTESE reminded us of the "Rotary Night at the A's" (details elsewhere in this issue), at \$4.10 ea., plus \$6.00 "All you can eat", Beer and B-B-Q. This has got to be the deal of the year; see you there.

Brad Harris (Berkeley), local Boy Scout exec, was presented a check from our club for \$500.00. Brad said that this will be used to construct and install two permanent picnic tables at Camp Wolfeboro complete with commemorating Rotary Plaques.

In the HANS vs. Feet Dept...FRAN WILSON over SHAPER \$25 to \$20. Recognition Master Extraordinaire BILL SHIELDS got NORM LUNDBERG \$15 for being "badgeless", DARROL DAVIS \$50 for 49, even did himself for \$20, what a guy.

Our Y.E.S. student, Anne-Sophie Guillon from France, told us how she was getting along. A delightful young lady, she is also an excellent student, and was recently given a Scholastic Achievement Award from El Cerrito High which she attended this year. Her visit is almost over, and we will surely miss her.

Chairman of the Day MARKKU PELANNE introduced our speaker, member TOM ALLEN, who as promised, kept us spellbound with his tale; the sinking of the Titanic. TOM began his story by telling us that this event was one of those Benchmarks, a Turning Point in history...it closed the "Man Invincible through Technology" era, and ushered in the "Era of

It was a time when size was worshipped for its own sake, "Biggest, Fastest, Best" were absolutes, not relative terms, and the Titanic embodied all these as well as the media label, "Unsinkable". Specifications included staggering numbers for the time... Weight - 46,000 tons, Length - 900 ft., Height - 11 stories... being built prior to welding technology, the ship was constructed with 3 million rivets, had a 200,000 lb. rudder, 30,000 h.p. engines driven by 159 furnaces burning 650 tons of coal.

In TOM's view, there was no cataclysmic event; only contributing factors. On that night, April 14, 1912, there was no moon (poor vision), it had been a mild winter (many icebergs further south than usual), calm seas "like glass" according to accounts (poor depth perception, objects "disappeared" in the calm). Further, unheeded warnings received by the Captain and crew, was largely due to the bravado attitude which prevailed overall.

TOM was unfortunately cut short though, and was unable to complete this fascinating tale. However, tune in next week, same time, same station for the exciting conclusion!

Raffle was won by JOE NUSBAUM and JOHN NICOL (?!?) and June lunch goes to BILL SHIELDS!!! (mind you, sinister forces are at work here...)

PROGRAM FOR FRIDAY, JUNE 14, 1985

Our speaker this week is Congressman George Miller, 7th District, California, who is currently serving his sixth term in the U.S. House of Representative. His topic will be a "Washington Report" on the happenings in the Nation's Capitol. Congressman Miller's investigatory and legislative activity as a

member of the House Interior Committee since 1975 has earned him the reputation of the chief proponent of federal water policy reform in the Congress. He was one of the longtime leaders in the successful fight against the Peripheral Canal and is also recognized as the leading spokesman against the San Luis Drain. Congress enacted his legislation to find a cleaner source of high quality drinking water for 300,000 Contra Costa residents. That study by the U.S. Bureau of Reclamation is currently underway.

Congress has also enacted many of his other legislative proposals within the Jurisdiction of the House Interior Committee. His bill established the Eugene O'Neill National Historic Site at the writer's home in Danville. He also authored the law dedicating the Golden Gate National Recreational Area to the memory of the late Rep. Phillip Burton and has written several laws reforming federal oil and gas leasing policies, resulting in tens of millions of dollars in additional income to taxpayers annually.

Chairman of the Day: TOM BUTT

LAST WEEK

Our meeting was opened by PRES. HANS with the Pledge of Allegiance followed by an Inspiration from JOHN NICOL who reminded us of the high price of Freedom, a hefty down-payment on which was made 41 years ago this week on D Day.

Everybody's favorite car dealer (well, isn't he yours too?), BUD MARTIN, introduced visiting Rotarians J.J. Sturgeon-Albany, Bill Frank-Pinole, Marvin Ray-Oakland and Michael Alexiff, Ernest Lopez, Schuler Bailey, Hershel Shelton and Ken Sargent from Berkeley. Hershel and Ken are hospital administrators lending moral support to one of our incoming officers or other... Guests included Laura Brosterhous (speaker's wife) and her daughter (SCHWARZ), Roger Reickert (NUSBAUM) and Tim Hudgus (NICOL).

In the "I'm Fine(d), You're Fine(d)" dept.: GEORGE WACKER \$10.00, HANS "O".

CHUCK WRIGHT announced the Annual Rotary Picnic, Saturday, June 15th, 11 a.m. to 4 p.m. on Angel Island. Chicken and Burger BBQ, volleyball and lots of fun are offered. \$5.00 for adults, \$1.50 for children under 12. Meet at the Indian in the Point. See CHUCK for details....

WIN BOWMAN requests our assistance in locating eligible young scholars for Rotary Foundation. July 10 is the deadline, hurry...

V.P. GEORGE gave us a quick report on Kansas City (no further elaboration needed here...) including a quote from Guest Speaker George Bush, "If all the world were Rotarians, we could totally eliminate war...", hold that thought...

PRES. HANS introduced Chairman of the Day, DARROL DAVIS, with a quote from Oliver

Wendell Holmes to a young attorney before the bench, "Sir, this is not a Court of Justice, this is a Court of Law." DARROL introduced our speaker, Mr. Ray Brosterhous, who opened with an attorney's (Prosecutor, of course) requirements for the "Perfect Case"; full videotape of the crime (including "Freeze" and "Instant Replay"), a dozen witnesses, preferably ministers of various faiths, well, you get the idea! He went on to say that if you can't take a joke, stay out of the California Court System! On the serious subject of Judicial Elections, a prosecutorial association of which he is a member, has taken a firm stand on the reconfirmation of three Justices in particular. All are Jerry Brown appointees and include Chief Justice Rose Byrd, Justice Cruz Reyuso and Justice Grodin. Although Californians have overwhelmingly passed the death penalty (72% for), this Court as a "Super-Legislature" has repeatedly and continuously overturned, set aside or commuted death sentences. Mr. Brosterhous feels that the Court is far more concerned with convicted felons' rights than those of their victims or the population at large. Even the U.S. Supreme Court has found our Death Penalty Law to be flawless, yet Byrd has done away with 38 of 38 cases where a jury voted death. He went on to give us some statistics on the three Justices in question, each more and more revealing. In

closing, Mr. Brosterhous reminded us to vote conscience and vote against politics in the highest Court in the State.

The raffle was won by CARL REHFUSS and JIM CLAUSEN.

Program Chairman '85-86, DAN YEE, seeks help with programs; let's keep the ball rolling...

PROGRAM FOR FRIDAY, JUNE 21, 1985

Our speaker this week will be Donald J. MacIntyre, Ph.D., President, John F. Kennedy University. Dr. MacIntyre has just returned from a trip to the People's Republic of China and may discuss some of his observations from that trip and contrast the future of education in our country with what he noted in the Orient.

Before his present position at J.F.K. University, he was President of Skyline College in San Bruno, Canada College in Redwood City and Metropolitan State College in Denver.

Besides his Ph.D in Doctoral studies, he has a M.A. (Russian History and Modern) and an A.B. (European History. He has done many research pieces that have been published and he is an accomplished public speaker. Among his many awards are the Who's Who in America (42nd edition), Don Quixote Award (National Hispanic University), Henry Clay Award in Recognition of Outstanding Service to the University of San Francisco and Distinguished Teaching Award (University of the Pacific).

Dr. MacIntyre serves as Chairman for the Board of Directors, North San Mateo County Center for the Arts in Daly City and in the Educational Division, Mile High United Way Campaign in Denver. He is member of the Chinese Culture Foundation Board of Directors and The National Hispanic University Board of Trustees.

Chairman of the Day: TERRY CLARK

LAST WEEK

On this day of flags, CHARLIE FENDER led us in the pledge followed by LOREN STRAUGHN with the invocation. JERRY OVERAA introduced visiting Rotarians and guests included Spencer Compton, an architect and former Rotarian from Arkansas.

WIN BOWMAN announced that applications for Rotary Foundation scholarships were due by July 10th for the school year 1986-87. Sunshine Chairman, DAVE KUCHENTHAL, reported that CHARLIE PEICK is now out of the Coronary Unit at Brookside. DAVE ALMEIDA reminded advertisers that you have about one week to make changes in your ad. A couple of spots are still available for new ads.

PRES. HANS questioned KEVIN DOLAN on a move in 1827 for the working day to be shortened from 12 hours to 10 hours. It took over 30 years to get that idea across but it took HANS only a couple of minutes to collect from KEVIN.

Recognition Administrator Big Bad BILL SHIELDS extracted \$100.00 from WIN BOWMAN for both an anniversary and a birthday and \$35.00 from OSCAR LUGO for a birthday this month and an anniversary next month. More birthdays were celebrated by DON GRECO, MARKKU PELANNE, DAN YEE and yours truly while anniversaries were recognized for GRANT CALHOUN, DON HARDISON, KENT MURRAY and STAN TEADERMAN. GLAUD KUYKENDALL offered \$100.00 towards a Sustaining Paul Harris Fellowship for both an anniversary and a birthday and JOHN PALAZZOTTO, feeling left out, volunteered that it was his birthday this month.

LAST WEEK (cont'd)

In a special presentation, DON LAU presented a check for \$600.00 from Richmond Rotary to Sharon Pastori of L.E.A.P. (Literacy for Every Adult Program). The money will go towards a computer.

Chairman of the Day, TOM BUTT, introduced our speaker, Congressman George Miller, who will be seeking his 6th term in Washington D.C. Miller, who was here to talk on President Reagan's tax reform, suggested a birthday tax after observing BILL SHIELD's success at collecting. The goal of a simplified equal tax will not be met with Reagan's modified flat tax but it is hoped that the number of people using the Short Form will be increased from 66% to 75%. The problem is the loss of revenue will amount to at least 15 billion thereby increasing our already huge deficit. People at poverty line will have tax relief so they can be encouraged to work. George feels that the budget cycle should have been completed before tax reform and with interest payments on our national debt going up 25 billion a year we should also consider the question of growth and the trade deficit.

The raffle was won by WALT WALLACE and GLAUD KUYKENDALL.

PROGRAM FOR FRIDAY, JUNE 28, 1985

DEMOTION OF A PRESIDENT

It's time once again to get rid of the old and bring in the new.

It is not known yet what Past President DAVE CALFEE has in store for President HANS, but we do know that HANS will be asked to explain certain fiscal irregularities uncovered during his term of office. An example of this is the fact that HANS distributed more money to charities and the Foundation than was taken in from the members (see separate article in this issue).

Judge DAVE will be ably assisted in these deliberations by Big Bad BILL SHIELDS and a few other malcontents unknown at this time.

ROTARY ANNS ARE INVITED

Chairman of the Day: DAVE CALFEE

LAST WEEK

We learned from KENT MURRAY, in his invocation, that Moses did not file an Environmental Impact Report before parting the waters and from PRES. HANS came a historical vignette that cost mankind several hundred years of progress. 352 years ago the famous astronomer and scientist, Galileo, was tried for heresy by the Inquisition for discovering that the earth was not the center of the universe. This was typical of the censuring of the expression of free thought at that time.

DARROL DAVIS welcomed visiting Rotarians and guests and it was announced that TIM OUTMAN's mother, Margaret Outman, needs blood at Alta Bates Hospital. AL SILVA thanked Rotary for flowers sent to wife Ann during her recent illness.

Big Bad BILL SHIELDS, our outgoing Recognition Administrator, cleaned up the end of the Rotary year by first collecting 10.00 from PRES. HANS for his lengthy sermon. KEN BERNDT and JIM CLAUSEN celebrated birthdays with JIM putting \$100.00 towards a Sustaining Paul Harris Fellowship. For anniversaries we had DAN TANITA, RICHARD WYNECOFF, MIKE HARR and DOUG SWAGER. JOHN LINDBERG came up with \$100.00 towards a Sustaining Paul Harris Fellowship for his 47 years of wedded bliss and MARK WILSON, who claimed he hadn't been caught in 8 years, did the same for his anniversary. Checks were sent in by TOM ALLEN, VIC BRADSHAW, DENNIS TRIPLITT and FRAN WILSON. BILL thanked everyone for their generosity and cooperation during his term as Recognition Administrator.

LAST WEEK (cont'd)

Chairman of the Day, TERRY CLARK, introduced our speaker, Donald J. MacIntyre, President, John F. Kennedy University who spoke to us on education in the 80's and 90's. Dr. MacIntyre stated that the baby boom of 1946-64 is now a bust and because of this schools are closing, hospitals are in trouble and many businesses affected. Minorities are the exception and 30% of youth in the 90's will be non-white. There are new pressures on school systems to meet minority demands and half of the children now born will be raised in a single parent household.

Higher education is now becoming part time with people working and taking vacations along with their education and Kennedy University is well placed now to handle adult learning. Several campuses in Contra Costa County serve 2000 students with an average age of 35.

The raffle was won by HAL HOLT and WALT WALLACE.

HANS HAS BIG YEAR!

PROGRAM FOR FRIDAY, JULY 5, 1985

Our speaker this week will be eighteen year old Kirsten (Kirsty) Bruce from the Republic of South Africa who is currently attending Davis High School under the Youth Exchange Program.

Kirsty lives in a town called Kloof, about 30 kilometers inland, a suburb of Durban. Her father is the Managing Director of Romatex. She has a younger sister still in high school and an older brother in college.

Kirsty graduated in 1984 from the St. Mary's Diocesan School for Girls in Kloof and is fluent in English and capable in Afrikaans. Her major interest is in art but she also enjoys modern dancing and ballet.

When she returns home in January 1986, she will attend a university about an hour away from her home where she hopes to study Fine Arts.

Chairman of the Day: DAN YEE

LAST WEEK

On the last day of PRES. HANS SHAPER's regime, MARKKU PELANNE got things started by imploring the good lord to have mercy on his soul. Visiting Rotarians were welcomed by yours truly and these included Gene Peterson, a Boy Scout executive from St. Cloud, Minnesota. Gene was presented with one of our Richmond banners. Numerous

Rotary Anns were on hand to see HANS thrown out. RUSS SCHULZE led us in singing "God Bless America" accompanied by BOB McDONALD at the piano.

FRANK CORTESE announced that all money should be in for "Rotary Night at the A's" on July 16 and Pinole Rotary should be notified if you wish to partake of their tailgate barbecue and beer preceding the game. FRANK also announced a Rotary Golf Tournament coming up on August 16. (See separate announcement.)

After these announcements, Past President DAVE CALFEE began the proceedings by describing HANS' year as a "Teutonic Plague" with a wacky year coming up. Promising to keep things "simple and dignified", DAVE called on BILL WAHBEH who immediately called HANS a fraud for not being able to pass his immigration exam.

Moderator BILL SHIELDS called for a fair trial with LEM "Losemall" WASHINGTON defending HANS. Various and sundry witnesses included KEN BERNDT as Herr Pin, RUDY LOEBLEIN as Ima Kraut and BOB BOYD as Mr. Fair N. Square. HANS was accused of harassing Rotarians with history trivia and was forced to answer some of his own questions. HANS' daughter, Barbara Jordan, was called in his defense but didn't help him much.

The jury of past presidents, who seemed to have a problem paying attention to what was going on, found HANS Sharpie guilty as charged. The whole demotion crew should have been charged with not being able to follow the script.

Incoming president GEORGE WACKER was presented with his President's Pin by HANS and immediately promised a year of reform.

DISTRICT 516 FOUNDATION CONTRIBUTIONS EXCEED \$200,000

by Werner J. Schwarz

Word just received from the Rotary Foundation in Evanston, confirms that our Rotary Year's (1984/85) contributions have **exceeded \$200,000**. According to our current information from "informal and confidential" sources. We expect to reach and exceed **\$212,000 by the end of June**. Thus, our district will be allotted 12 Rotary Foundation scholarships for students to be sent overseas during the 1988/89 academic year. This will more than double the current level of five Rotary Foundation Scholars.

Governor Adrian and the district Rotary Foundation Committee extend their sincere thanks and appreciation to all the district's Rotarians, who made this quantum jump in contributions and consequential scholarships possible. Contributions to date makes District 516 TENTH PLACE in the Rotary World.

Congratulations to all, keep up the good work in supporting the **Rotary Foundation!**

PROGRAM FOR FRIDAY, JULY 12, 1985

"The Loss of the Titanic; Part II"

It seems a number of members were not content to leave the Titanic afloat with lifeboats adrift and a number of passengers unaccounted for so TOM ALLEN will return to the stand this week to sink the ship and bring the story to a legitimate conclusion.

Yet to come are accounts of how several individuals who missed lifeboats managed to save themselves; why the lifeboats did not return to the scene; how the press handled the news; the investigations in the aftermath; and how the Titanic has carved its place in history.

Chairman of the Day: BOB BOYD

LAST WEEK

Our meeting was opened by PRES. GEORGE with the Pledge of Allegiance followed by an inspirational message from CHARLIE FENDER on this 209th Anniversary of our Independence.

Visiting Rotarians (and Rotary Anns) included Rick Betts-Berkeley, and Ed Challey, and his wife from Davis. In the "Your guest is as good as mine..." Dept., SAM SARKISSIAN brought Dr. Bluer, DAN YEE invited his secretary Anne Saunders, DAVE TROUGHTON brought himself, and yours truly brought his wife, Darlene. PRES. GEORGE went on to introduce the "Magnificent Seven", one of which (JOHN LINDBERG) was present to receive a New Member Certificate from immediate R.I. Past President Carlos Consecoco...

The new S.O.B. (Sweet Old BERNDT), KEN to his friends (who will become fewer by the day...), tagged LLOYD HENRY for \$5.00, DAN YEE for \$25.00, and SAM SARKISSIAN for \$40.00.

Athletic Supporter Department - Boss

Jock, JOHN NICOL reminded us of the Rotary Night at the A's on July 12... \$4.10 for the game, \$6.00 for the BBQ and Suds. JOHN bought 100 extra tickets for late comers, don't let him down...

PRES. GEORGE introduced all the current Officers and Directors; do you know who they are? Regardless, there is a Board Meeting Thursday, July 18, 7:30 a.m. at Lucky Lanes, and all our members are invited.

Chairman of the Day, DAN YEE, introduced our speaker, Kirsten (Kirsty) Bruce, a Y.E.S. student from the Republic of South Africa. Confirming her bio in the last Flywheel she is halfway through her stay here in America, is an Art Major and is interested in modern dance and ballet. She has a brother, 24, who is liberal enough to have doubts about supporting (through mandatory military service) the Apartheid system, and a sister, 15, who aspires to be an actress; which Kirsty says she is imminently qualified for, being so dramatic and all (aren't all baby sisters?). Kirsty's personal outlook on Apartheid is that it is an unfair, unnecessary form of government. However, she feels that to dismantle it overnight would result in total chaos; white dollars, technology, and expertise would flee the country, as the largely uneducated Black population floundered in its new found independence, much like the case in Rhodesia. She went on to say that it is really not a

black/white issue, but more a struggle between white extremists and two primary black activist groups with thousands of moderate blacks and whites caught in the middle.

On the lighter side, Kirsty stated that the climate in South Africa is much like our own, only that (due to it being in the Southern Hemisphere) the seasons are reversed, that there are no chocolate chips or Pizza (that's the lighter side!?) and that there are many Indian restaurants due to a great deal of Indian immigration to work in the cane fields. When I asked if their eateries honored the American Express, she replied that, "No, they rely on mostly Cash and Curry..."

PROGRAM FOR FRIDAY, JULY 19, 1985

Our speaker this week will be Valerie Otani of the Richmond Art Center and her subject will be "Artists in School".

Valerie is a native of the Bay Area, educated in Richmond Schools with a B.A. from Antioch College in Ohio and a master's degree from San Francisco State University.

She is an artist working in clay, who has been teaching at the Richmond Art Center for 15 years. For the past three years, she has been an Artist in Residence, conducting workshops for children in the Richmond Schools.

on vacation. PRESIDENT GEORGE promises that all will be recognized next week.

JOHN LINDBERG, past president of Lafayette Rotary Club, handed out new member recognition certificates from Rotary International to BILL REID, EARNIE CLEMENTS and HAROLD SAUL while DARROL DAVIS came up with one for GLAUD KUYKENDALL which was attached to EARNIE's.

WHO AM I?

Police Chief EARNIE CLEMENTS attended Golden Gate University and the F.B.I. Academy at Quantico, Virginia and has been with the Richmond Police Department for 20 years. Not revealing too much of who he is, EARNIE feels that he is different things to different people and also feels that he is doing a good job if there is nothing in the newspapers about him.

EARNIE and his wife, Joann, have five children and live in Martinez.

Chairman of the Day, BOB BOYD, introduced our own TOM ALLEN, who this time, brought a watch so he could complete the story of the sinking of the Titanic on time. TOM gave us a little background on his interest of the tragedy which started at age eleven and has continued to this day along with two active historical societies still doing research.

Many questions remain unanswered such as why the ship, Californian, only 10 miles away did not respond until too late and why there had not been a lifeboat drill for the passengers. The passenger liner, Carpathia, 58 miles away, was able to rescue survivors about 2 hours after the Titanic sank but by this time most of the

men had gone down with the ship. Many life-boats, manned by inexperienced crewmen, left with only partial loads and did not return to pick up more passengers.

The story ended in a discussion on whether, in this era of equal rights, women should be allowed to go first.

PROGRAM FOR FRIDAY, JULY 26, 1985

Our speaker will be Nello Bianco, BART Director-Dist. #2, and his topic will be "BART's Future Expansion Plans".

Nello was appointed to the BART Board of Directors in 1969 by the CCC Board of Supervisors. He was reappointed in 1973, and in 1974 was

chosen by the electorate of BART's Dist. #2 as their representative to the first elected BART Board of Directors. Unopposed in the 1978 election, he retained his position on the BART Board and was overwhelmingly re-elected in 1982.

He presently serves as Chairperson of the BART Board's Engineering and Operations Committee and is member of the BART Liaison with the Central, Eastern and West Contra Costa Transit Authorities.

A native of Weed, California, Director Bianco's family moved to Richmond in 1938. He has been a businessman in this area since 1954 and an active community leader. In addition to serving on the Richmond City Council, he has been a member of the Richmond Port, Redevelopment and Housing Authority Commissions and the City of Richmond Personnel Board. Currently, Nello is a director of the Richmond Boys Club of America and the East Bay Chapter of the National Safety Council.

Chairman of the Day: DAN YEE

LAST WEEK

Our meeting was opened by PRES. GEORGE with the Pledge of Allegiance followed by an inspirational message from DON GRECO.

Visiting Rotarians introduced by DAN YEE were Mike Ball-Lafayette, Bill Link-Pinole, Dan Holbank-Santa Maria, Dave Seeberg & Peter Campbell-Berkeley, and AL SILVA introduced his guest Clarence Van Hook and DON RYDER introduced his guest.

In the Recognitions Department, "Sweet" KEN BERNDT tagged the following: DENNIS TRIPLITT who became a Paul Harris Fellow (he received the first "new design" Paul Harris Fellow pin) and had a birthday, DON GRECO for not speaking clearly, DAVE CALFEE for walking on the grass, CHARLIE FENDER - "When E.F. Hutton speaks, people lose interest", BILL WAHBEH for catching a foul ball at the ballgame, "BATCH" BATCHELDER for 56 years in Rotary, DAN YEE for getting seasick and himself (KEN BERNDT) for mentioning his daughter who is one of the stars of Great America. He advised the membership that "any member of the club who couldn't say they had seen the show at Great America by the end of the season would be subject to recognition!" JOHN LINDBERG then fined PRES. GEORGE for missing his birthday.

PRES. GEORGE reported Past President HANS SHAPER is ill at home (possibly a kidney stone). He then told a story about "Four men named Everybody, Somebody, Anybody & Nobody" and how one of these four chose who should do the important tasks in any organization. He reported on the Board meeting saying the budget and our activities "look great". Our club will make a \$1.00 per capita donation to the World-Wide Polio Immunization campaign.

LAST WEEK (cont'd)

This has already been paid by our membership. JOHN NICOL and FRANK CORTESE were thanked for the party at the ballgame and BILL REID received his blue badge.

Chairman of the Day, GLAUD KUYKENDALL introduced Valerie Otani of Richmond Art Center who spoke about teaching "The Art of Artistry". She said California ranks first in the nation and Richmond's program is "the best of the best".

Since Richmond is a high minority area, of diverse cultural backgrounds, the Richmond Art Center builds self esteem while encouraging cultural identity. Using painting, mask-making, ceramics, art appreciation, story-telling and more, they use the "teamwork" approach to expose students not only to their own culture but to those around them in the most positive ways possible.

After the program, JOHN NICOL asked about having a mask made for him and Valerie expressed concern about PRES. GEORGE's job.

The raffle was won by DARROL DAVIS and CHARLIE FENDER.

PROGRAM FOR FRIDAY, AUGUST 2, 1985

Our speaker this Friday will be Michael Calbreath, who is the owner of two medical design and construction companies in the Bay Area. He has traveled extensively throughout the world promoting humanitarian relief projects. He is a graduate of the South Dakota School of Mines and Technology and lives in Milbrae.

His subject will be "Operation California" (International Hunger Relief).

Chairman of the Day: ROBERT BROWN, II

LAST WEEK

A moment of silence was observed for Mayor Tom Corcoran and then DAVE TROUGHTON, back after a short absence, introduced visiting Rotarians and guests. It was announced that WES SEAPY was still recuperating in the hospital.

Sponsor KEVIN DOLAN introduced and welcomed to the Club TOM MALSURY who is manager of Emporium-Capwells at Hilltop. Tom lives in Danville with his wife Frances.

Recognition Administrator, Kindly KEN BERNDT, celebrated a couple of birthdays with

BOB BOYD for 60 bucks and HANK KELLMAN for 100 towards a Sustaining Paul Harris Fellowship. BOB MILLER had an anniversary for \$40.00 and \$5.00 apiece was collected from FRANK CORTESE and DAN READY for their trip to Greece. TROY GROVE brought us a flag from Rome but wouldn't divulge his placing in the Seniors Track Meet there. DARROL DAVIS kicked in \$5.00 for a mis-directed traffic ticket and yours truly \$5.00 for false advertising. ERLE BROWN, our oldest red badger, finally came up with the necessary qualifications and \$5.00 for a blue badge.

Chairman of the Day, DAN YEE introduced our speaker, BART Director Nello Bianco. Nello, who has been on the BART Board of Directors since 1969, has been in business in the Richmond area for over 30 years and served on our City Council.

BART is now considered one of the safest systems in the world with over 6 billion passenger miles without a serious injury. 150 new cars have been ordered from France but they are now 1 year behind on delivery. Even though no company in the USA builds aluminum train cars, Nello tried to get a final assembly plant here but the French company chose Silicone Valley, instead.

At present Nello is in the middle of a controversy regarding new stations for San Mateo County when that county has not paid its fair share. Mr. Bianco would first like to see extensions of the line to Crockett and Antioch. He closed by stating that BART is the best buy we have, even with a proposed 50% fare increase and

PROGRAM FOR FRIDAY, AUGUST 9, 1985

Our speaker this Friday will be our own DR. RUSS SCHULZE who will give us a look at the Republic of South Korea. RUSS, who has been a member of Richmond Rotary since 1963, has travelled extensively and was so impressed with Korea, The Land of Morning Calm, that he wants to share some of its natural, historical, religious and man-made beauty with the members of Richmond Rotary. He has been to the country several times recently and was most impressed by its dynamic modernization, its lovely quiet countryside and Buddhist temples.

The capital city, Seoul, is busy preparing for the Asian Games in 1986 and the Olympics in 1988. RUSS also visited Panmunjon, the Peace Bridge, the Freedom Train and the DMZ.

As one picture is worth a thousand words he plans to take you to Korea by showing slides taken during his visits there.

Chairman of the Day: NORM FOLEY

LAST WEEK

JOE NUSBAUM gave us an inspirational message and then welcomed visiting Rotarians and guests. One of our flags was given to Ernie Caudil of Tacoma, Washington. Guests included former Peace Corps volunteer, George Carter, who brought with him Etienne Aubert of Tours, France who is the son of a Rotarian. Etienne is looking for a family to stay with for the next two weeks while he is on a cultural study here. CHARLIE FENDER brought us

a banner from South West Portland and then informed us that we lost 20 members last year and didn't quite cancel that figure with new ones.

Finemaster, "Kindly" KEN BERNDT had RED DOHERTY stand up and pay for something or other and then collected \$5.00 from Past President HANS SHAPER for losing 20 members. WERNER SCHWARZ added \$100.00 to a Sustaining Paul Harris Fellowship for wife Lea on their anniversary and fellow German, TED "SCHMIDT" also came up with a hundred for his anniversary. \$5.00 was collected from NORM LUNDBERG for not having a badge and \$5.00 from BOB McDONALD for being the butt of the first Rock Hudson joke. BOB MILLER, who is already a Paul Harris Fellow, put up \$100.00 to begin a Sustaining Membership for BOB MORRIS, JR. because he has had to escort MILLER's Rotary Ann, Candy, to several Rotary functions because MILLER was out of town. It gets a little complicated. JOHN LINDBERG, not wanting to be left out, volunteered the information that it was his anniversary and started a Sustaining Paul Harris Membership with \$100.00.

Sunshine Chairman, DAVE KUCHENTHAL announced that GRANT CALHOUN was recovering after a short visit to Brookside Hospital. WES SEAPY has been ill for a couple of weeks but should be back at the meetings shortly.

It is with regret that we announce the passing of former member Rex Craig last Saturday in Glendale, California. Rex had been president of Contra Costa College from 1977 to 1982.

Chairman of the Day, BOB BROWN, II, introduced our speaker, Michael Calbreath, who describes himself as being just a little

bit crazy. Mr. Calbreath, who is the owner of two medical design and construction companies, has gone into Ho Chi Minh City (Saigon) and Cambodia on several occasions to set up medical and dental clinics purely on a voluntary basis. Through his organization called "Operation California" he has solicited equipment and supplies from large manufacturers and even had a chartered plane donated. After being arrested, detained and deported several times in Ho Chi Minh City, he finally received an apology directly from Hanoi.

With the help of San Lorenzo Rotary, Mr. Calbreath set up a clinic in their Sister City, Cuernavaca, Mexico. He has since built more facilities in other third world countries.

The raffle was won by WIN BOWMAN and FRASER FELTER who both donated their booze to our speaker for much needed pain killer.

Our program this Friday will be two members of the Richmond Police Department. They will be speaking about the Department's Police Activities League which was started in 1982 as a project between the Police Department and the business community. It involves athletic activities for Richmond Unified School District, in such areas as soccer, basketball, swimming and boxing. The presentation will include a 6 minute slide presentation. There are 1,500 youths actively involved in the program.

Officer Comilas A. Robertson has been a member of the Richmond Police Department for over 12 years. He is currently assigned to the Community Relations Division where, for the past three years he has been the Executive Director of the Police Activities League.

Officer Charles Bennett has been with the Richmond Police Department 5 years, after having been a member of San Pablo Police Department for 7 years. Officer Bennett was selected the 84-85 P.A.L. SPECIAL NOTICE!!

We are meeting this Friday at
Hacienda Restaurant
San Pablo and Barrett

LAST WEEK

Our meeting began with a moment of silence for former member Rex Craig who passed away in Glendale. PRES. GEORGE read a letter from Richmond Rotary to Rex's family. Visiting Rotarians were welcomed by REN PARTRIDGE and Richmond banners given to W. B. Clinton of Verdun, Illinois and Howard Smart of Santa Cruz. Guests included the new general manager of Masquers Playhouse down at the Point.

EARNIE CLEMENTS became one of the regulars when he was presented with a blue badge by BOB MORRIS, JR.

With Finemaster "Kindly" KEN BERNDT absent, the recognition duties were turned over to the old master himself, Big Bad BILL SHIELDS. BILL took offense at KEN being called "Sweet" and stated there is room for only one S.O.B. in Richmond Rotary. BILL offered a prize to anyone coming up with an acceptable name for KEN. DAVE ALMEIDA put another \$100.00 towards a Sustaining Paul Harris Fellowship for "6 glorious years of marriage" (his father-in-law, BUD MARTIN was sitting next to him) and Past President HANS SHAPER donated \$100.00 for 47 years of wedded bliss. WALTER WOLFFS also put up \$100.00 for his birthday and being in Richmond Rotary the longest (49 years).

PRES. GEORGE reminded us that next week's meeting is at the Hacienda Restaurant and there will be a Board meeting next Thursday. FRANK CORTESE asks all golfers in Friday's Rotary Tournament at Orinda Country Club to be there a half hour before the shotgun at 12:30 P.M.

He showed us the beauty of the countryside and the city of Seoul, which is hosting the Asian Games in 1986, the Olympics in 1988 and the Rotary International Convention in 1989.

Seoul, a city of 7 million people, will soon have a 97 story building and if you're looking for bargains, it is a shoppers paradise.

The raffle was won by HANS SHAPER and DOUG SWAGER and DAVE CALFEE bid \$100.00 for a weekend at the Claremont Hotel which had been donated by JOE NUSBAUM.

RICHMOND TAKES GOLF TITLE!

Richmond's golf team, led by top players MERV DAVIS, JIM CLAUSEN, VIC BRADSHAW and LLOYD HENRY, took the winner's cup home with them from the Oakland sponsored Rotary Golf Tournament played at Orinda Country Club last Friday. Alameda was a close second. Even though plagued by slow play and crowded conditions (it took nearly 6 hours to complete the round) several of our members also captured individual honors. In the closest to the hole department, AL PITTMAN came in

fifth with his ball 7'9" from the cup on the 8th hole.
A special thanks to our sports chairman, FRANK CORTESE, for helping to coordinate this event.

Our speaker this week will be Bernie Ward, Public Affairs Director for BENS (Business Executives for National Security, Ind.), and his subject will "Security...The Bottom Line".

The purpose of BENS is to provide business executives with the information to seek practical, cost-effective alternatives to the current arms program and to reduce the risk of nuclear war.

Mr. Ward was an advisor to Congresswoman Barbara Boxer for 3½ years in Washington D.C., and specialized in defense and procurement issues. He was also an advisor to the Military Reform Caucus in the House of Representatives, chaired by Dennis Smith (R) Oregon.

Mr. Ward is a graduate of USF with a B.A. in English and is a fifth generation resident of San Francisco.

Chairman of the Day: DEAN BARBIERI

LAST WEEK

In DON GRECO's invocation there was even a prayer for our kindly finemaster. DON also welcomed visiting Rotarians and had members introduce their guests. A flag was given to Tom Hollinson of Riverside and guests included Sid Fields, new manager of PG&E in Richmond. KEN BERNDT became one of the regulars when BOB MORRIS presented him

with a blue badge but we don't know how much KEN paid for it. "Kindly" KEN swung right into his finemaster duties by taking a quick \$100.00 from FRASER FELTER with no back talk.

ELOF GRANBERG offered \$1.00 a year for his birthday followed by NORM JACKSON who did the same after checking with the Chief Financial Officer of Mechanics Bank, BILL REID. RUDY LOEBLEIN started a Paul Harris Sustaining Membership for his birthday and BOB MORRIS did the same for his and Debbie's 14th anniversary. DAN READY had to pay \$1.00 a pound for a deer he bagged in the Coast season.

PRES. GEORGE reminded us that September 13th is the District Governor's Visit and Sunshine Chairman, DAVE KUCHENTHAL reported that GRANT CALHOUN is home from the hospital and waiting to hear from friends.

Chairman of the Day, DON GRECO, introduced our speaker, Tom Powers, who is now in his 7th year as a Contra Costa County Supervisor. Talking on the Contra Costa Justice System, Tom covered everything from costs and budget to inmate population with graphs and charts provided for the occasion. The Justice System, which is composed of Sheriff's Department, Prosecution, District Attorney and Courts, is now a 91 million dollar business and takes up ¼ of our property tax dollar. Some funds come from the State and Federal but a bond issue was recently passed for new jails. Violent crimes rose 26% in 1984 but on the bright side, juvenile crime has gone down a little.

Tom closed by stating that the old Bethlehem Steel site has been definitely selected for the new jail but they are

FOR THE RECORD - Here are some interesting facts about Rotary geography that perhaps you didn't know.

The Rotary Club of Punta Arenas, Magellanes, Chile, has the distinction of being the southernmost club in the Rotary world. Established in 1950, the club has 40 members. At the northernmost tip of the Rotary globe is the Rotary Club of Hammerfest, Norway. Located in Europe's most northerly city, where the sun is not visible between November 21 and January 21, the club, also established in 1950, has 31 members. Finally, situated 3577m (11,735 ft.) above sea level is Rotary's highest club, the Rotary Club of La Paz, La Paz, Bolivia. Established in the world's

highest capital city in 1927, the club has 124 members.

FROM THE DISTRICT GOVERNOR

SEPTEMBER — YOUTH ACTIVITIES MONTH

No community can afford to be indifferent to its young people. Rotary clubs from the beginning set out to help youth fulfill its potential. In doing so they have produced a varied history of Rotary Youth Activities with two overall goals: 1) giving small children everywhere a favorable start in life, and 2) helping youth become happy and productive citizens by presenting them with opportunities and challenges, and by encouraging high ethical values. (Quote from "Youth Activities" booklet - Volume six - Rotary Library.)

Lets take a look at what we are doing today in Rotary to meet one of our goals of taking care of our youth.

1. RYLA - Camp Royal.
2. Rotary Youth Exchange Program (YEP)
3. Alcohol and Drug Abuse Prevention Program
4. Interact and Rotaract
5. Rotary Foundation - 3-H Program - Mass immunization throughout the world
6. Club Scholarships

Sid Fields, new manager at the Richmond office of PG&E.

In a special presentation, JOE NUSBAUM, our Vocational Service Director, presented a check for \$500.00 from Richmond Rotary to HAL HOLT, who is president of B.O.O.S.T., a local jobs organization.

With "Sweet Old BERNDT" (S.O.B.) among the missing, PRES. GEORGE again had to take over and be the finemaster. Not coming up with any members present to be recognized, GEORGE had to ask for volunteers. DAN SANDERS, a man of vision, decided to admit to a birthday and got off for only \$25.00. WILLIE REED got a song from the group for \$26.00 and TOM ALLEN, who will be leaving us shortly to manage a shopping center in Reno, gave us \$20.00 to remember him by. Hurry back, TOM, before we forget. JOHN PALAZZOTTO offered \$26.00 for 26 years of wedded bliss.

Chairman of the Day, DEAN BARBIERI, introduced our speaker, Bernie Ward, Public Affairs Director for BENS (Business Executives for National Security). BENS is a Bi-partisan group attempting to make sure defense money is spent wisely. Mr. Ward covered many ridiculous costs for materials that have been in the news lately including \$5,000 screw drivers, \$7,000 coffee pots and \$900 toilet seats. The latest fiasco is the Sgt. York anti helicopter weapon that has been cancelled because it is ineffective. That one cost us only 1.8 billion and Ford will probably be given another half billion to close it out.

Most defense contracts are non-competitive usually being cost plus with more plusses than costs. Profits to defense contractors

FROM ROTARY INTERNATIONAL

Focus on PolioPlus

In the developing world one child out of every 250 is doomed to be crippled by polio, while hundreds of thousands fall victim to measles, whooping cough, diphtheria, tuberculosis, tetanus, and other vaccine-preventable diseases.

To help meet this world health crisis Rotary will launch in July, 1986, an ambitious US\$120 million immunization campaign--the largest in Rotary history. The goal of a polio-free world by the year 2005 (Rotary's 100th Anniversary) remains, but because the control of polio is only one factor in the fight to improve child health, the Polio 2005 Program recently acquired a name with a broader connotation: "PolioPlus--To Immunize all the Children of the World." This name will be used in conducting a three-year public fund-raising effort beginning July, 1986.

THOUGHT FOR THE WEEK

The best way to rid yourself of temptation is to give in to it.

JOHN G. "JACK" PUGH

Rotary Club of
Berkeley, California

GOVERNOR
DISTRICT 516
1985 - 1986

Jack was born and raised in Berkeley, a true native Californian. He went through the Berkeley school system, then into a family business. Jack and Betty were married in 1940 and have a daughter, Carol with two daughters and a son Bill married to Debbie with two sons. Bill works with Jack in the family business and is past president of the Rotary Club of Benicia. There are three generations of Rotarians in the family.

After serving on many committees in all avenues of service as a member or chairman in the Rotary Club of Berkeley, he became president for the year 1977-78. His interest and involvement in youth activities go back many years to a time when he started a Boy Scout Troop and Explorer Post in Lafayette, and the Scout Troop still flourishes today. This interest in youth caught up with him again the year following his retirement as president of the Rotary Club of Berkeley when he became involved in the Rotary Youth Exchange Program in the district. Jack was instrumental in building that program in the district. He served as coordinator and advisor to all Youth Service programs in the district in 1983-84. The Rotary Club of Berkeley honored Jack in 1982 with the Paul Harris Fellow Award.

ROTARY ANNS ARE INVITED!

LAST WEEK

PRESIDENT GEORGE led us in the Pledge and MARKKU PELANNE gave the invocation "Thank God for the Rain" amen.

Visiting Rotarians were Tyler Bailey-Berkeley, Van Robbins-Orinda and Bill Frank-Pinole.

In the absence of KEN BERNDT, BILL SHIELDS served as Finemaster. In spite of advice from CARL REHFUSS, that Rotary doesn't recruit members, BILL wants to have a campaign to obtain bright, new Rotarians. Going along with this Bill Frank, who is the district coordinator for Rotary, stated there is a prize of a ticket for 2 to Hawaii and back for the Rotarian who brings in the most new members. With this announcement BILL SHIELDS withdrew his request in favor of his personal campaign. DUANE MERRILL was recognized for 41 years, C.J. DOHERTY, JR. for 13 years and RON ACQUISTAPACE for 24 years of marriage. Thanks for the contributions. Keep up your honeymoons.

BOB BOYD introduced the speaker of the day by asking the club what it would rather have as a neighbor, the Pacific Bell Telephone Co. or the Alcoholic Detoxification Center. In his personal experience it was the latter. In order to find out what went on inside, he invited Marvadene Fleming, the director, to speak to us. Due to a death in the family and an untimely funeral she couldn't come. Her substitute was Aubin Elliott, assistant executive secretary of Neighborhood House. She told us of their community programs. The latter consisting of the detoxification program, Recovery House and drunk driver program. The Detoxification Center has 17 beds, One must be

drunk to get in. Once one is detoxified, the offender is referred to other agencies like A.A. Drunkenness is basically a male problem. Sixty percent of those admitted for detoxification are homeless. Most of the funding for the program comes from the County.

I'd like to suggest another approach--the Eastern European approach. While you are in the detoxification center you are cleaned and scrubbed and fitted with either new or freshly washed and ironed clothes. You are then returned to your place of employment along with a bill for detoxification treatment and new clothes. The bill is then deducted from your salary. Effective?

The raffle was won by ELOF GRANBERG and one other lucky member.

The following contributed by DAVE CALFEE: The night stalker sent his mother a telegram. "Don't worry--Rose Bird will have me home by Christmas."

See you next week...

FROM THE DISTRICT - R.I. FRIENDSHIP EXCHANGE PROGRAM

The 1984-85 Rotary year marked the beginning of the official R.I. Friendship Exchange Program for Rotarians in all 159 countries where Rotary exists around the world.

The Rotary Friendship Exchange Program is an activity in which Rotarians and their families carry out reciprocal visits, living for a few days in the homes of Rotarians and their families in other countries.

ITS PURPOSE: the advancing of international understanding, goodwill, and peace through people to people contacts.

AN EXAMPLE IN DISTRICT 516: A Rotarian in Equador housed the daughter of Don Jenkins, President of Orinda Rotary Club while she went through a change of residence in her year as an A.F.S. student. Don & Becky visited this Rotarian, personally contributing to a much needed small hospital in which he was involved and extended an invitation for him to visit with them in Orinda.

PROGRAM FOR FRIDAY, SEPTEMBER 20, 1985

The subject of this week's program will be "Camp Royal". Our guests will be Selena Dong and Ted Kim, both of Kennedy High School, and Robert Ochoa of Richmond High. They are the three students who our Club sent to Camp Royal this past summer.

Selena Dong will speak for the group and we will have a nine minute slide show about Camp Royal. An additional guest will be Colby LaPlace, former club member who was Camp Royal Chairman last year.

Chairman of the Day: FRASER FELTER

LAST WEEK:

On this day of the District Governor's visitation, AL SILVA gave an invocation that sounded like a lot of work. PRES. GEORGE called for a moment of silence in memory of long time member, REESE STARR, and then announced that Mrs. Starr had donated \$100.00 for our Scholarship fund.

Past President DAVE CALFEE introduced visiting Rotarians and here for the District Governor's visit were Jim Blackwood, District Governor Nominee from Red Bluff and Area

Representative Rick Betts from Berkeley. It was Rotary Ann's day but only a couple were introduced (other than the head table).

In the recognition department, BILL REID donated \$26.00 for both sons being born on Friday the 13th and MARKKU PELANNE offered a 100 Mark Finn note for his 10th anniversary but PRES. GEORGE wouldn't accept it. (Worth about \$16.00) MARKKU came up with some legal tender instead.

Chairman of the Day, DAVE CALFEE, introduced our speaker District Governor Jack Pugh of the Berkeley Club who brought his Rotary Ann, Betty, for the occasion. Beginning with the Rotary International theme for this year, "You Are The Key", Jack covered the many ways in which we can be a key and stated that all Rotarians share one common goal, "World Understanding and Peace". There are numerous scholarship and study exchanges going on at the present time and District 516 will have 12 scholarship awards next year because of the volume of donations to Rotary Foundation. The Health, Hunger and Humanities program (3H) has now completed 69 million immunizations in 25 countries and over 1/2 million dollars in aid to Ethiopia.

Paul Harris Sustaining Membership pins were presented to HANS SHAPER, RUDY LOEBLEIN, BOB MORRIS, HANK KELMAN, DAN READY and CHARLIE WONG and a special brooch to Lea Schwarz.

Jack then covered the activities in the district from Alcohol and Drug Abuse to a new Membership Development contest and closed by promoting the 1986 District Conference at MGM Reno April 24.

"Turning Tears To Laughter"

January 1, 1986 Rose Parade theme is "Celebration of Laughter". Rotary's Rose Parade Float has the theme "TURNING TEARS TO LAUGHTER" in keeping with Rotary International's goal to immunize all Third World Countries' children by Rotary's 100th Anniversary, 2005, thereby practically obliterating the dreadcrippler from the face of the earth!

R.I.'s Board of Directors has approved the entry of this floral float and agreed that the project be self-supporting by suggesting donations of approximately \$1.00 per member from each club in the U.S. & Canada.

PROGRAM FOR FRIDAY, SEPTEMBER 27, 1985

Our speaker this week will be Jef Blum and his subject will be "St. Francis Golden Gate Challenge to America's Cup Race".

Sailing is Jef's avocation, and marketing and promotion for Blum & Associates is his vocation. He presently is combining his two interests in a project as consultant to the St. Francis Yacht Club, with the ultimate goal of bringing the America's Cup Yacht Race to the San Francisco Bay Area in 1987.

Jef will explain his position that the loss of the America's Cup to Australia might have been the best thing that ever happened to the Bay Area yachting.

Chairman of the Day: HOWARD MARTIN

LAST WEEK

PRES. GEORGE opened the meeting with a moment of silence for the victims of the Mexico earthquake and then welcomed visiting Rotarians from as far away as Danville. Thank You letters were read from District Governor Jack Pugh and his Rotary Ann, Betty,

for the hospitality and gifts they received during their visit here last Friday.

Finemaster KEN BERNDT announced that he will be unable to collect money from us in the future because he is being transferred to the Concord Branch of Central Bank. Let's hear it for KEN. Before leaving, however, KEN had a little unfinished business, to wit; an anniversary for LOREN STRAUGHN; a birthday for WALT WALLACE which netted \$100.00 towards a Paul Harris Sustaining Membership and \$50.00 for HANK COVELL's 50th birthday. Treasurer DAVE ALMEIDA celebrated the birth of a baby girl with another \$100.00 towards his Paul Harris Sustaining Membership and grandfather BUD MARTIN kicked in about \$5.00 a pound. TROY GROVE was proud to announce that he had taken 3rd place in the 1500 meter and 800 meter races in the National Masters Championship in Detroit.

Chairman of the Day, FRASER FELTER, welcomed former member Colby LaPlace, who had been chairman of the Camp Royal Committee for our club last year and who brought with him a slide show put together by Past District Governor, Dick Hyland of Vallejo. In the slide show, Dick explains how students with leadership potential who have completed their junior year are selected by Rotary Clubs to attend a 1 week leadership training camp on a ranch near Hayfork. The instructors and speakers are well known professionals in their field and give seminars on motivation, communication, human interaction and self esteem. A little time is also allotted for swimming, hiking and horseback riding. Rotarians are invited for grab bag sessions

paid more than 2 bucks for the 2 bucks he
bagged in the coast season.

BILL SHIELDS. Now all BOB needs is the
correct name on the badge. He has been
using former member Bob Brooks' badge.

St. Francis Yacht Club is having a new boat
built for Perth, Australia in 1987. The
U.S.A. defended the title 26 times in 132
years until last year when Australia took
it away. The new boat is using all of the
Australian technology plus new innovations

ROTARY ANNS INVITED

Our speaker this week will be Dean S. Leshner, Newspaper Publisher, with several corporations of his own that publish five seven day daily papers, seven weekly newspapers, seven county-wide weekly shoppers and a magazine. He and

his family own 38 publishing units in 11 California counties.

Dean was named Publisher of the Year in California in 1977 by the California Press. In 1982, Suburban Newspapers of America designated him Publisher of the Decade and established an annual national recognition award bearing his name. On March 9, 1983, The National Newspaper Association gave him a special award for Distinguished Service to Newspapers at a reception in the White House presided over by President Ronald Reagan and Vice President George Bush with 300 newspaper publishers and wives in attendance.

Mr. Leshner has been president of several Chambers of Commerce, including Merced and Walnut Creek and has served on numerous civic and charitable boards, locally and regionally, as well as many state-wide boards.

A member of various clubs and organizations, Dean is a member of Rotary and was District Governor in Central California in 1958-59.

Chairman of the Day: DAN YEE

LAST WEEK

After the pledge to the flag DON GRECO gave the invocation and this being just about the hottest day of the year, all those still wearing jackets were fined \$1.00. JOHN NICOL welcomed visiting Rotarians and guests from the local area and then reminded us of the annual Reno trip coming up in January (see separate announcement). JOHN has been chairing this event for over 20 years.

What with KEN BERNDT being transferred to Concord by Central Bank, we now have an able bodied "Recognizer" to take his place, BOB BROWN. BOB started off by collecting \$30.00 from DOUG STRAUS for his 30th birthday and \$50.00 from DAVE LEIBEL for a few years more than that. FRANK DOMINGO, who is still convalescing at home, sent in another donation of \$100.00 and a check for \$100.00 was received from a member who wishes to remain anonymous.

Chairman of the Day, RON ACQUISTAPACE, introduced our speaker, Lucy Newcomb, Director of Health and Marketing at the Berkeley-West Contra Costa Chapter of the American Red Cross. Ms. Newcomb told us about the Red Cross being started in 1877 by Clair Barton and the Berkeley chapter being formed in 1898. In addition to First Aid and cardio-pulmonary resuscitation training, they now teach general health education in the workplace. A Wellness Preventive Health Package can be designed for any industry and a course was recently planned for Chevron emphasizing chemical burns and back problems. Other courses for industry could include hypertension or stress.

PROGRAM FOR FRIDAY, OCTOBER 18, 1985

Our guest speaker this week is Mr. Tom Neill. Tom is General Manager and a senior consultant for an East Bay company called Potential Development Service or P.D.S. His talk will be on the concept of looking at yourself as a business or corporation... "YOU, INCORPORATED,

A PLAN FOR ACCOMPLISHMENT".

P.D.S. specializes in working with individuals, groups and companies in the development of certain skills essential to the smooth running of an efficient, motivated and profitable business. These skills include time management, motivational management, personal leadership, the dynamics of supervision and skills for dealing with people.

Tom holds a graduate degree in business management and marketing from San Jose State University and an undergraduate degree in Hotel and Restaurant Administration from the University of Nevada. He has worked for a number of hotels and restaurants in the U.S. and a few overseas establishments as well, and for Coordinated Planning Associates of San Mateo, a financial services organization. He eventually joined P.D.S. in 1983 and has worked with several small to midsize companies in the areas of motivational management, creative selling, time management, supervision and personal leadership.

Chairman of the Day: RON ACQUISTAPACE

LAST WEEK

In deference to our speaker, CHUCK WRIGHT's invocation asked for good prayers and better press after which DAVE CALFEE introduced visiting Rotarians and guests. This being Ladies Day, a number of Rotary Anns were introduced and also on hand were a couple of members of the editorial staff of West County Times to hear what their boss had to say.

With our continuing Vocational Shadowing program BOB BOYD had as his guest, Tamara Green, a senior at DeAnza High School. Tamara, who wants to be a T.V. newscaster, thanked Rotary for the opportunity to observe business in action.

In the recognition department, yours truly was fined \$5.00 for a minor difference of opinion in the bulletin, BILL SHIELDS celebrated his and Ruby's 30th anniversary with a donation to our charity fund and ERLE BROWN was fined \$5.00 for winning a new Honda automobile at the Ducks Unlimited dinner. ERLE would have been fined a lot more but he donated the car to the Boys Club auction.

Chairman of the Day, DAN YEE, introduced our speaker, Dean Leshner, publisher of numerous daily and weekly newspapers. Dean, a past district governor of Rotary in Central California, began by citing the problems of terrorism, a question that seems to have no answers. A little more on the pleasant side he covered the growth in Contra Costa County, 6th in assessed valuation in the state with California being 7th in gross national product in the world. Speaking out against Proposition H in Walnut Creek, he described

how it will stop development completely because transportation problems were never met. The Contra Costa County Development Association is too concerned with enhancement of life than properly controlled growth. Stopping growth will not provide jobs for our children and grandchildren. Alluding to Richmond's image problem, Mr. Leshar reviewed its assets such as port, industry and Hilltop. Jobs opening up in Central County can be filled from West County.

Dean closed with problems of profitably putting out a newspaper and sees a good future for West County Times.

The raffle was won by EARNIE CLEMENTS (a repeat offender) and JACK HORTON.

PROGRAM FOR FRIDAY, OCTOBER 25, 1985

Our speaker this week will be Owen Cooper, Consultant, Cooper Associates Management Consultants of Walnut Creek and his subject will be "Management Challenges in Small Business".

Owen Cooper is a recognized authority in the issues a small business faces from birth through all of its phases of growth. He has worked with hundreds of small and medium sized businesses and has helped many of them achieve dramatic turnarounds. He also designs management programs for rapidly growing firms, and companies that are making the transition from one generation of management to the next. He has been in practice since 1978.

Mr. Cooper is one of only 75 Certified Management Consultants in Northern California. He is the only one with a full time practice in the small business area. He is a board member of the Northern California chapter of the Institute of Management Consultants.

He holds an MBA in Small Business Management from the University of South Carolina.

Chairman of the Day: RON ACQUISTAPACE

LAST WEEK

WALT ZERA led us in the pledge to the flag followed by CHARLIE FENDER with the invocation. Visitors and guests were introduced by PRES. GEORGE himself and they

included Brad Harris of the Boy Scouts, former member Milt Lachterman from Texas and Ken Stein, Executive Director of the YMCA.

BILL WAHBEH gave us an update on our ongoing World Community Service project with Madras North, India. So far we have donated \$2,000.00 towards construction of a new school to replace the one destroyed in last year's typhoon. BILL described how, in the Hindu religion, the stars must be in the right position to start a project and have it successful and then he read a letter of thanks with 251 signatures from the children and teachers at that school.

PRES. GEORGE took over the duties of finemaster calling on BOB BOYD to donate a little something for selling Richmond-Shimada Friendship Commission calendars at our meeting. More calendars will be available next week. Congratulations were given to DOUG SWAGER who was recently appointed Judge in the Bay Municipal District. DOUG returned the honor by donating \$100.00 towards a Paul Harris Sustaining Membership. JOHN LINDBERG, the subject of recent articles and pictures in the paper on his combustion control invention for gasoline engines, donated something to our charity fund. JOHN offered our members the opportunity to invest in this revolutionary new system that dramatically increases mileage while reducing emissions.

Past District Governor DORR ETZLER gave us a report on the recent Zone Institute in Denver for District Governors, Past DG's and future DG's. The Institute is behind the program on Alcohol and Drug Abuse and will be addressing the subject of "Women in

 Rotary". Next year's R.I. President, M.A.T. Caparas of Manila, is against discrimination of any sort and will possibly propose some changes.

Chairman of the Day, RON ACQUISTAPACE welcomed our speaker, Tom Neil, General Manager of Potential Development Service. Mr. Neil started out by asking if we were interested in greater success or just average success. With "You" as the product we must make the best use of our resources which are: 1. Know How; 2. Energy; 3. Time Management; 4. Imagination; 5. Communication and 6. Power of Choice. Most people use only 5-15% of their capacity and most limitations are self imposed.

It was a dynamic pitch for success motivation right out of a sales seminar and most likely many of our members could benefit from the courses Mr. Neil is selling. Some of us are beyond repair.

The raffle was won by CHARLIE FENDER and JACK HORTON.

PROGRAM FOR FRIDAY, NOVEMBER 1, 1985

ROTARY ANNS ARE INVITED!

Our speaker this week is Mr. Larry Wilde who is in the business of making people laugh.

Some of you may have seen Larry in nightclubs as a stand-up comedian on the bill with Debbie Reynolds, Diana Ross, Pat Boone or Ann-Margret. Or perhaps you've seen him on TV with Merv Griffin,

The Mary Tyler Moore Show, The Tonight Show or The Today Show.

But Larry Wilde is probably best known as an author on the subject of Humor. His two interview books with the World's Greatest Comedians and Comedy Writers have become classics. And his 33 "Official" Joke Books have sold over 8 million copies, making it the largest selling humor series in publishing history.

???Can laughter really improve our health?

???Is it possible to develop a better sense of humor?

???Does a humorous outlook really lead to a happier and more productive life?

The man who can answer those questions is our speaker this Friday and his talk is entitled "When You're Up to Your Eyeballs In Alligators".

Chairman of the Day: DAN YEE

LAST WEEK

JOE NUSBAUM gave us an inspirational message that included a tribute to JACK HORTON on his retirement as executive director of the Richmond Chamber of Commerce. JOE then introduced visiting Rotarians and these included Dan Green from Valencia, Spain who is taking JACK HORTON's place at the Chamber offices. SAM SARKISSIAN brought us a flag from somewhere deep in Germany and JOE displayed the perpetual trophy that Richmond won in the recent Rotary Golf Tournament. LLOYD HENRY thanked the team members and promised to display the trophy in the Chamber of Commerce offices.

Retiree JACK gave us a few words of appreciation and then it was announced that he is now a Paul Harris Fellow. All these recognitions for JACK were enough to warrant a little donation from him to our charity fund.

Finemaster BOB BROWN, after finishing with JACK, hit BOB BOYD for his picture in the paper with the Shadowing Program as well as a plug for his forklift business. CHARLIE WONG celebrated the big Six-Oh with another \$100 towards Jean's Paul Harris Sustaining Membership and TED SMITH threw in \$100.00 for something or other.

The Shadowing Program was in action this meeting with Remick Wright as guest of JOE NUSBAUM. Remick, who is a senior at El Cerrito High School, thanked our club for the opportunity to observe business in action and then put in a plug for JOE's plastic pipe business.

Chairman of the Day, RON ACQUISTAPACE, introduced our speaker, Owen Cooper, Consultant for Cooper Associates who talked

on "Management Challenges in Small Business". Mr. Cooper, who first spoke to Rotary at Yazoo City, Mississippi when he was 16 years old, covered the four phases in the changing lifecycle of a growing business.

- Phase I: "Oh My God." Prayers needed.
- Phase II: Owner is center of universe, tries to run everything and can't afford to retire. Many businesses never get beyond this point. Should develop systematic management.
- Phase III: Management Phase: Planning, organizing, directing, controlling. Echelon of middle management.
- Phase IV: Self Perpetuation. Founder no longer needed.

RICHMOND ROTARY WORLD

PROGRAM FOR FRIDAY, NOVEMBER 8, 1985

Our guest speaker this week will be Dwayne A. Bartels of Bartels Realtors. Dwayne will speak on Real Estate ethics and how they work hand in hand with Rotary Club's "4 Way Test".

Dwayne has earned his MBA Degree in Business Administration from Golden Gate University in San Francisco. In addition he has earned many Real Estate "Special" designations thru his continuing education efforts. Some of these honors include being named Realtor Associate of the year 1976, Realtor of the year 1978 and at the state level, Honorary Director for Life (1985).

Dwayne and his wife Margaret reside in El Sobrante with their two children, Michael 15 and Kimberlie 12. Margaret has earned her MA Degree in Marriage, Family, Children Counseling and works with the Richmond Unified School District.

Chairman of the Day: PETE BRAY

included Bonnie Yee, Janice Bowman and Lois Lindberg. Lois' husband JOHN was recognized for a new combustion process which saves gasoline and gives more power. He contributed \$100 to a sustaining Paul Harris fellowship, in her name, in order to make a pitch for soliciting limited partners in his new enterprise. The breakdown seemed too good to be true.

RUSS SCHULZE presented a post card from the Kremlin, where he was recently.

Program Chairman DAN YEE introduced our speaker and humorist Larry Wilde, in his own inimitable way and was immediately cut down to size by our speaker. Mr. Wilde had been asked if he believed in Free Speech and if he did would he give one at Richmond Rotary. It went on like this for the full program. There were jokes about professions and about the high price of a heart from a lawyer. Why is this heart so expensive? Answer: It's from a 65 year old lawyer and never has been used. There were ethnic jokes about the Poles, the Jews and the Italians, too numerous to recall.

The speaker's outline for humor is as follows:

- 1) Learn to laugh.
- 2) Learn to laugh at yourself.
- 3) Acquire a taste for comedy & laughter.
- 4) Expose yourself to something funny every day.
- 5) Try to see the funny side of life.

The author sold some of his joke books at the end of the meeting.

The raffle was won by NORM JACKSON (Scotch) and DARROL DAVIS (Vodka).

See you next Friday.

RUSS SCHULZE, Acting Editor

ONE MILLIONTH MEMBER TO ARRIVE BY 2/23/86

Rotary membership, now estimated at 992,819, is projected to reach one million in the week culminating with the 81st anniversary of Rotary's founding, February 23, 1986. The "Countdown" has started! And every Rotary club in the world is going to have the opportunity to admit "Rotary's one millionth member". A projection of membership growth shows that the millionth member will be included into Rotary during the period of February 17-23, 1986. It is impossible to pinpoint the millionth member, so every Rotarian admitted during that week will be the millionth member and become a part of Rotary's "Million Member Club". Special membership cards and local publicity are planned. From all such new members reported, one will be randomly selected. He and his sponsor, and their wives, will be invited with expenses paid to the Rotary Convention in Las Vegas to be the focal point of a great celebration of this milestone in Rotary's history.

BOARD MEETING

A meeting of the Board of Directors will be held on Thursday morning, November 14, 1985, 7:30 AM at Lucky Lanes in San Pablo. All officers and directors are urged to attend and members are invited.

PROGRAM FOR FRIDAY, NOVEMBER 15, 1985

Our speaker this week will be the Honorable Max Wilcox, Jr., Judge, Superior Court for the State of California.

Judge Wilcox graduated from U.C. Berkeley in 1941 and shortly thereafter, he joined the U.S. Navy and served for approximately four years when he was honorably discharged as a Lt. Commander. Upon discharge from the service, he went to U.C. Law School (Boalt Hall) for three years and was admitted to practice in 1948.

His Honor then joined the law firm of Tinning & Delap in Richmond and remained there until he was appointed to the Superior Court Bench by Ronald Reagan in 1971. While practicing in Richmond, he was appointed City Attorney for El Cerrito and served in that capacity for six years.

During his tenure on the Bench, he has been made the Presiding Judge by his colleagues on two occasions -- in 1974 and 1984. In 1979, Judge Wilcox was designated the Trial Judge of the Year by the Alameda-Contra Costa Trial Lawyers Association.

Chairman of the Day: DAN YEE

LAST WEEK

Vice President DON HARDISON, filling in for vacationing GEORGE, got things started with the pledge to the flag followed by TERRY CLARK with the invocation. EARNIE CLEMENTS welcomed visiting Rotarians and

guests and CHUCK WRIGHT introduced Michelle Beeler, a senior at El Cerrito High who was here with CHUCK for our student Shadowing program.

Past President HANS SHAPER, reporting for the Officers' Nominating Committee, announced that DON HARDISON was being put in nomination for President, 1986-87 and BILL SHIELDS, Vice President for 1986-87.

BOB BOYD, reporting for the Directors' Nominating Committee, announced the following selections for Director 1986-88: HANK KELMAN, MARKKU PELANNE, TED SMITH, DENNIS TRIPLITT, BILL WAHBEH and WALT WALLACE. Three directors will be elected on voting day, December 6, 1985.

Club Service Director, BILL SHIELDS gave a pitch for increasing our membership and asked for a commitment from all members to propose a new member before the end of the year. REN PARTRIDGE has been named chairman of the Membership Development Committee.

Acting president DON HARDISON decided to handle recognitions himself and immediately hit yours truly for an anniversary. DON LAU put up \$50.00 for a birthday and winning re-election to the Richmond Unified School Board. Insurance man BOB McDONALD tried to explain increases in all types of liability but DAVE CALFEE, representing all attorneys, said the problem could be solved with a "Vote No on Rose".

Chairman of the Day, PETE BRAY, introduced our speaker, Dwayne A. Bartels of Bartels Realtors who spoke to us on Real Estate ethics and the "4-Way Test". Dwayne, who has spend most of his community service time with the YMCA and State Board of Realtors,

PROGRAM FOR FRIDAY, NOVEMBER 22, 1985

Our speaker will be Wayne L. Price of Price Graves & Company, Counselors in Corporate Finance, and his topic will be "Mergers & Merger Trends".

Wayne studied Agricultural Economics at University of Maryland and graduated with a Bachelors of Science degree in 1962. He continued his studies in Economics at U.C. Davis after which he became a Statistician for the U.S. Government in Sacramento. In 1964 he was commissioned Ensign in the U.S. Navy and served in Southeast Asia during the Vietnam Conflict.

After the Vietnam Conflict, he went back to school and graduated with a Masters degree in Business Administration from U.C. Berkeley in 1969, after which he, as consultant, co-designed Bank of America's first computerized agricultural lending information system. He then joined Bank of America's corporate lending department in San Francisco.

Later, he joined The Equitable Life Assurance Society of the U.S. and spent 4 years as the West Coast Regional Manager of Corporate Finance having responsibilities for offices in San Francisco and Los Angeles and nearly one billion dollars in corporate finance investments in the 14 western states.

In 1982, he moved to the other side of the "corporate investments" table and started the investment banking firm of Price Graves & Company, which specializes in mergers, acquisitions and privately-sourced corporate capital for middle-sized corporations and is located in Emeryville.

Chairman of the Day: RON ACQUISTAPACE

100% ATTENDANCE DAY

LAST WEEK

Acting president FRASER FELTER started off the meeting by having past president HANS SHAPER give us a 10 minute invocation on the futility of war in solving the world's problems. HANS recently visited western and eastern Europe and saw the ruins of churches and other structures. HANK KELMAN gave the pledge to the flag and DON RYDER introduced visiting Rotarians and guests.

BOB BOYD completed the report of the Nominating Committee by announcing that CARL REHFUSS had been selected for Secretary, 1986-87, DAN READY for Assistant Secretary and DAVE ALMEIDA for Treasurer. At Election Day on December 6, four directors will be elected from the six members on the ballot since Director BILL SHIELDS has been nominated for Vice President.

Finemaster BOB BROOKS, in honor of his honor, Max Wilcox, fined all lawyers and law enforcement people 1.00 each. ALSILVA announced that Mechanics Bank would be holding a financial planning meeting at Marriott Inn on Monday.

Chairman of the Day, DAN YEE, introduced the honorable Max Wilcox, Jr., Judge of the Superior Court. Max, a former Richmond Rotarian and El Cerrito City Attorney described how being a judge used to be a 9-5 job but the load of cases dictates longer hours. It got out of hand in the 70's when trial dates were waiting over 2 years. The law now requires a maximum of 60 days wait on criminal cases and arbitration is available on civil suits that can be settled for less than \$25,000. Bench Bar settlements are made with attorneys and judge present

Judge Wilcox feels that attorneys spend too much time questioning jurors and have too many challenges. He covered the appalling length of trials, number of appeals and suggested that Small Claims be raised to a \$5000 limit.

The raffle was won by EARNIE CLEMENTS and BILL WAHBEH.

PROGRAM FOR FRIDAY, NOVEMBER 29, 1985

This being the Friday after Thanksgiving, no formal program has been arranged.

There will be a round table for those wishing to keep their attendance obligation.

Happy Thanksgiving

LAST WEEK

A good crowd was on hand (including our president) to try for 100% attendance. We will know more about the results when all the make-ups are in. For our invocation, HANK COVELL read a letter written in 1979 by a student from South Vietnam telling of his appreciation and good fortune on being in the United States and then introduced that young man, Tony Han, who is now attending U.C. Berkeley. Pres. GEORGE himself introduced visiting Rotarians and guests from the local area. DAVE ALMEIDA told us about the Christmas Party (see separate announcement) and Pres. GEORGE announced that a dinner welcoming R. I. President, Edward Cadman, will be held on the Peninsula, January 4.

In our continuing Shadowing Program, JOHN LINDBERG brought as his guest, student Jack Knight, who thanked everyone for the opportunity to see business in action and Rotary in action.

Finemaster BOB BROOKS collected a few bucks from REN PARTRIDGE for his 6th anniversary and \$100.00 from President GEORGE towards a Paul Harris Sustaining Membership for his 38th anniversary. GERRY CULLEN celebrated his 45th anniversary and 37 years in Rotary with a donation of \$50.00. On this eve of the Big Game, DAVE CALFEE, wearing a red "farm" hat, offered \$10.00 from each Stanford grad if they lose and then challenged Cal grads to do the same. While he was up, DAVE put up \$50.00 for a new grandson.

Chairman of the Day, RON ACQUISTAPACE, introduced our speaker, Wayne L. Price,

 counselor in corporate finance, who spoke to us on mergers and merger trends. Citing the many anti-trust acts of 1890, 1914, 1950, 1968 and 1977 plus the several government agencies who exercise control over mergers and trusts, Mr. Price gave a number of reasons why companies go through all the trouble to merger. Mainly there is a chance to increase the value for stockholders, bring life to a company with low earnings and make more money available. Various types of mergers were covered plus the subject of "greenmail" where voting stock is aquired by a third party merely to drive stock up and make a killing from the panic.
 The raffle was won by DAVE KUCHENTHAL and DORR ETZLER.

PROGRAM FOR FRIDAY, DECEMBER 6, 1985

Pearl Harbor Day - December 7, 1941

Forty-four years ago at 7:55 AM (Honolulu time) the naval base at Pearl Harbor came under attack by the Japanese Navy!

On November 26, 1941, the Japanese fleet of six aircraft carriers with four battle-ships, cruisers, destroyers and eight subs departed on a ghost-like course for Oahu. At Pearl Harbor there were ninety-four U.S. warships, of which eight were major battle-ships, six heavy and light cruisers, four repair ships, twelve destroyers, four subs at the sub base, and many other auxiliary ships.

The Fleet Flagship U.S.S. Pennsylvania was in Dry Dock #1 along with the destroyers Downes and Cassin. The aircraft carriers Lexington and Adm. Halsey's flagship, the Enterprise, were ferrying planes to Wake Island and the third aircraft carrier assigned to the Pacific Fleet was at Seattle, Washington under repairs.

Early on December 7th the Japanese Ambassador in Washington had been instructed to seek a meeting with Secretary of State Cordell Hall at 1:00 PM that afternoon which would be 7:30 AM Pearl Harbor time.

At 7:01 AM, December 7th (Pearl Harbor time), the Japanese task force had penetrated to within 250 miles of Oahu and turned into the wind to launch its planes. The first wave of 183 fighters and torpedo planes (a total of 343 planes in four waves lasting until 9:45 AM took part in the attack) headed due south, Pearl Harbor was still asleep this sunny December 7th.

At 7:55 AM aboard the U.S.S. Nevada Flag-ship of Battleship Division, the band and

a Marine Guard had lined up on the fan-tail to break the colors, as a formation of aircraft was seen coming in over the mountains behind the Naval base. The first alarm was sounded by the Officer of the Deck, Ensign E.W. Taussig who shouted on the P.A. system, "Air-Raid, Air-Raid-- This is not a drill."

With us on Friday are four men who will give their experiences and observation as Pearl Harbor survivors on that day:

(A) Mr. Ed. Ramsey, who as a Radioman 2nd Class was stationed at Kaneohe Naval Air Station - PBY Base.

(B) Mr. John Mullin, who as a Chief Quartermaster was assigned to the Signal Tower Detail at Pearl Harbor.

(C) Mr. George Ratchke, who as Radioman 1st Class was assigned and on board the repair ship U.S.S. Vestal tied up along side the U.S.S. Arizona.

(D) Mr. FRANK CORTESE, JR., who as a Lieutenant (JG) was assigned to the U.S.S. Downes, destroyer in Dry Dock #1 along with U.S.S. Pennsylvania and Destroyer Cassin.

Chairman of the Day: FRANK CORTESE, JR.

LAST WEEK

Almost 20 of us showed up for the "Round Table" meeting the day after Thanksgiving. PRES. GEORGE opened and closed the meeting with a silent invocation and then took off for parts unknown. The only guest was ELOF GRANBERG's charming daughter, Karen.

AUCTION

Auctioneers FRAN WILSON and BOB MILLER promise a fun time this year at our annual Rotary Auction. Bring your gifts and donations to the meeting and be sure to attach your business card with approximate value of gift and a hint as to what it is. Also, bring your wallet and checkbook (no credit cards, please) so you can take home something exciting. It has been rumored that the famous bottle of Muscatel is coming back for the eleventh year.

BOB MILLER

LAST WEEK

PETE BRAY gave us a special invocation for this Pearl Harbor remembrance day and then PRES. GEORGE called for a moment of silence for long time member and past president, WALTER WIRTH. REN PARTRIDGE welcomed visiting Rotarians and MARKKU PELANNE had as his guest a Y.E.S. student from Pori, Finland.

JOE NUSBAUM told us about B.O.O.S.T., the organization that trains high school students in various vocational fields, and then introduced Robert Stevenson and Karen Smith, King and Queen of Career Day at Richmond High School. This program has had our support for several years now.

In the recognition department, DAVE CALFEE had all his fellow Stanford Grads collect \$10.00 from all us "Old Blues" for Stanford's victory in the Big Game.

As an introduction to our program, Chairman of the Day FRANK CORTESE played a recorded message from President Roosevelt announcing the attack on Pearl Harbor 44 years ago. After giving us a little background on events leading up to the attack, FRANK introduced Ed Ramsey, the first of four survivors to tell us of their experiences on that fateful Sunday morning. Ed, who was a radioman at Kaneohe Naval Air Station, woke up to strafing by Japanese planes and saw a torpedo bomber brought down by small arms fire. John Mullin, who described himself as a non-hero, saw the battleships Arizona and Oklahoma hit and blown up. George Ratchke's repair ship, U.S.S. Vestal was tied up to the Arizona but managed to break away after being hit several times. FRANK, himself was assigned to the Destroyer

PROGRAM FOR FRIDAY, DECEMBER 20, 1985

The El Cerrito High School Vocal Jazz Ensemble will serenade us with traditional Christmas songs and many other selections. The ensemble, which sings at retirement and senior citizen centers every Christmas, was formed eleven years ago by our own TERRY CLARK.

Chairman of the Day: TERRY CLARK

LAST WEEK

PRESIDENT GEORGE conducted the Pledge; DAVE CALFEE gave the Invocation. Recognition fines were dispensed with because of the auction which was fun and profitable. FRAN WILSON and his humorous colleague, BOB MILLER, did a fine job. All money was free and clear as the members did themselves proud by donating many fine gifts. Bidding was brisk. RALPH HILL accomplished most of his Christmas shopping. Occasionally we had to let him know what was being bid on and what the current bid was. Past President HANS and incoming Vice President, BILL SHIELDS often bid against each other and seemed to come out about the same. A total of \$1,877 was raised during the auction.

Following the auction, RALPH HILL presented a \$1,000 check for a Paul Harris Fellowship. During the meeting, WESLEY SEAPY of Harbor Plastics gave a \$1,000 check for a Paul Harris Fellowship.

One hundred and seventy dollars was raised for a pair of opal earrings contributed by OSCAR LUGO and \$80 was contributed for a savings bond presented by Mechanics Bank. One of the other large contributions was a hundred dollars for an ophthalmological examination to include contact lenses and three months of follow-up. Thanks DAN SANDERS

A good time was had by all as we all got into the spirit of Christmas. Thanks again to FRAN WILSON and BOB MILLER.

CHRISTMAS PARTY

The Christmas party at the Mira Vista Country Club Saturday was well attended. BUD & Alice MARTIN, DAVE & Darlene ALMEDIA,

PROGRAM FOR FRIDAY, DECEMBER 27, 1985

Our speaker this week will be John G. Rubin, CFA, head of the Financial Planning Department of Mechanics Bank and their Trust Investment officer since 1980.

A graduate of Harvard Business School and Stanford University, Mr. Rubin is also a C.P.A. with over 14 years' experience managing customers' investment portfolios.

He is a member of both the Institute of Certified Financial Planners and the International Association of Financial Planning.

Chairman of the Day: AL SILVA

El Sobrante Rotary will be with us this day for a joint meeting.

LAST WEEK

BILL WAHBEH started things off with a special Christmas invocation after "Santa" SCOTT had given a merry greeting to one and all during the fellowship period. Visiting Rotarians and guests were introduced by HANK COVELL who then explained the tables being littered with fund raising flyers for Salesian High School. For \$30.00 you can purchase a calendar with a number and be eligible for cash prizes every day of 1986.

Instead of handing out gifts, "Santa" SCOTT took over the job of finemaster and collected donations from KENT MURRAY, DAVE NINOMIYA and VIC BRADSHAW for birthdays, PETE BRAY, BOB BOYD and HANK COVELL for anniversaries and RUSS SCHULZE for both a birthday and an anniversary. WALTER WALLACE also put in a bundle for a recent marriage and twin grandchildren all happening about the same time. The bride's name is Beverly and the twins are A and B.

Chairman of the Day, TERRY CLARK, a veteran of 18 years with the Richmond Unified School District, introduced the lovely Diane Wiggington, new director of the El Cerrito High School Vocal Jazz Ensemble. Ms. Wiggington brought in 18 delightful youngsters who took time off on their last day of school to serenade us with several traditional Christmas songs. They performed "Silent Night" in sign language and we all joined in with "Deck the Hall".

TERRY closed with a pitch for the quality of public education, as represented by these students, in spite of bad press.

PRES. GEORGE announced that next week El Sobrante Rotary would be meeting with us.
